

JOURNEYMAN POWERLINE TECHNICIANS

The City of Penticton is cradled within tree trimmed mountain slopes, dramatic cliffs, and bordered by two pristine lakes. Penticton offers natural beauty all year round. The semi desert climate provides more than 2000 hours of sunshine each year to compliment the myriad of recreational opportunities, cultural activities, international events, regional festivals, business conventions and good old-fashioned relaxation.

The City of Penticton is seeking highly motivated, experienced and energetic Journeyman Powerline Technicians. The City of Penticton takes pride in the workmanship and operational stability of our Electrical Utility. As a smaller utility, we are able to be progressive in employing new technologies and tools.

If your are seeking a position with limited requirements to work overtime, every other Monday off with pay and summer hours of 7:00 AM to 2:45 PM this is the position for you!

The successful applicants will have five or more years of current experience in the construction and maintenance of urban and rural electrical distribution systems, both overhead and underground and will also be certified to work on energized conductors (7200 volts to ground). Experience in rubber gloving would be an asset.

It is essential that applicants possess a B.C. Certificate of Qualification in the Journeyman Power Line Technician trade or an Interprovincial Red Seal endorsement.

The current wage rate is \$36.00 per hour, plus \$2.87 per hour retention bonus for a total wage rate of \$38.87, plus an attractive fringe benefit package.

Interested applicants should submit a resume to:

Human Resources Department
City Hall, 171 Main Street
Penticton, B.C. V2A 5A9
Or email: apply@city.penticton.bc.ca

PLEASE QUOTE COMPETITION NO.: 09-04E

We wish to express our appreciation to all applicants for their interest and effort in applying for this position and advise that only candidates selected for interviews will be contacted. No phone calls please.
