

Water main on Lakeshore Drive repaired

Oct. 19, 2017

Penticton –City crews have repaired the water main break along Lakeshore Drive that occurred early this morning. The area is being cleaned up and staff expect the road to open by 4 pm. The City anticipates closing the road sometime next week to restore the asphalt and concrete.

Caption: Staff are wrapping up work to repair a major water main break on Lakeshore Drive at 1 am this morning.
