

Applications for grants now being accepted online

(Penticton, BC – September 5, 2018) – The City of Penticton’s 2019 municipal grant program is now open for applications using its newly launched grant software. The software streamlines and automates the process making it easier for applicants to apply and track their applications. All applications will now be submitted online.

“The municipal grant program is for non-profit organizations that demonstrate a financial need to assist with providing services to the residents of the City or hosting local events that positively impact the community”, said Angela Campbell, Controller for the City of Penticton.

More information on the grant program and policy can be found on the City's' website on the municipal grants page <http://www.penticton.ca/EN/main/city/municipal-grants.html>

Please note that the City has extended the grant due date to September 28, 2018.
