3. Conditions of Approval, Disqualification, and Termination

The City reserves the right, at its sole discretion, to amend, restrict, or remove the types of products and services permitted at vending locations at any time prior to awarding a License to Use Agreement. Vendors may be disqualified or have their license terminated at the sole discretion of the City for any of the following reasons:

- Failure to comply with any requirements, terms, or conditions outlined in the Beach Vending Application, or License to Use Agreement.
- Proposing a vending location or products that are deemed by the City to present a safety hazard or risk.
- Selling products deemed inappropriate or inconsistent with the family-oriented nature of the vending location, including but not limited to drugs; alcohol; drug paraphernalia; e-cigarettes; tobacco products; or lighters.
- Selling fireworks; weapons or replica weapons; counterfeit or illegal items; or items containing toxic or hazardous materials, including but not limited to lead, cadmium, or mercury, or materials that do not comply with Canadian health and safety standards. Vendors are responsible for ensuring that any items sourced outside of Canada comply with Health Canada limits and Technical Safety BC requirements.
- Selling or displaying items that use the City of Penticton logo without authorization, or that contain offensive material, including nudity, sexually explicit content, violence, vulgar language, or material promoting illegal activities (including drug use) or violence.
- Engaging in unprofessional or inappropriate conduct, including but not limited to illegal activity, consumption of alcohol or drugs, use of profanity, aggressive solicitation or harassment of pedestrians, or smoking at the vending location.
- Failing to remain within the assigned vending location or using an area larger than that allocated by the City.

Any illegal activity occurring at the vending location will result in immediate termination of the License to Use Agreement and may be subject to enforcement by the RCMP.

Except for location-related matters monitored by City Bylaw Enforcement, the City will not intervene in disputes between vendors. The City supports fair competition in a free and open marketplace, and vendors are expected to resolve any issues independently.

4. Application Timing and Consideration

The City encourages applications to be submitted by 4:00 p.m. on Wednesday, May 31, 2026. Applications received after this date may be considered at the sole discretion of the City and, if reviewed, will be assessed only after all applications received by that date have been processed and/or licenses have been awarded.

9. Special Events

Special events take place several times throughout the year within the City. A list of known special events and related closures will be provided prior to the start of each vending season.

Vendors are advised that during special events, some vending locations may be unavailable. The City of Penticton is not responsible for providing alternate vending locations and will not compensate vendors for any loss of access or business during these periods. At its discretion, the City may approve additional vendors for the duration of a special event.

10. Refund Policy

For the purposes of this policy, the first day of permitted vending is May 1 and the last day of permitted vending is September 30, as set out in the License to Use Agreement, unless otherwise approved in writing by the City of Penticton.

Refund of the License to Use Fee:

- 75% refund up to 15 days before first day of permitted vending.
- 50% refund 14-1 day(s) before first day of permitted vending
- 0% refund on or after first day of permitted vending

Refund of the Business License Fee:

- 75% refund if the business has not yet operated.
- No refund if the business has operated.

12. Criteria Award

Licenses will be awarded based on the following criteria, including but not limited to:

- Returning vendors who are in good standing with the City
- Preference for City of Penticton residents
- Previous vending agreements and compliance history with the City
- Proximity to existing brick-and-mortar businesses offering similar products and potential neighborhood impacts
- Overall visual appearance and condition of the vending site

13. Notification and Submission Requirements

Once an applicant is notified of their successful application, all required documentation and full payment must be submitted to City Hall before the final license is issued.

Beach vendors may be required to provide proof of WorkSafe (WCB) coverage and/or insurance, as applicable. If required documentation has not been completed by this date, the applicant must submit email confirmation showing that coverage has been applied for or is pending. Licenses will not be issued until all required documentation, and payments have been received and processed.

Applicants who anticipate being unable to meet the submission deadline must notify the City in advance.

14. Limitation of Liability

Notwithstanding anything else contained herein, the City shall not be responsible for any loss of or damage to the Licensee's equipment, including loss of use. Licensees are encouraged to obtain appropriate insurance coverage for their equipment and for business interruption or loss of use.

15. Authorization of Application

I hereby certify that all information provided in this application is true and accurate. I agree to comply with all applicable bylaws, policies, and regulations of the City of Penticton, whether or not they are specifically referenced in this application. I confirm that I have read and agree to comply with the requirements set out above.
