Permits are required for moving, removal and placing of mobile homes. Please note, more than one application may be necessary depending on the situation. All of the following information is necessary to facilitate a thorough evaluation and timely decision on your application. To expedite the evaluation, all materials submitted must be clear, legible and precise. To achieve this level of customer service staff have been instructed to accept only complete applications which include plans prepared to professional drafting standards. Please contact the Building Department at 250-490-2571 if you require further clarification.

Complete Steps 1-4 for all moving, removal and placing of mobile homes.
