### Section 6 - Noise Regulation

#### Construction Exemptions:

6.3 Where the City's Chief Building Official considers that it is impossible or impractical for a person to comply with Section 6.7 (e) and (f) the Chief Building Official may, grant an exemption to carry out work that is found to be necessary, at designated hours on designated days and on such other terms and conditions as the Chief Building Official considers reasonable in the circumstances.

#### Community Notification:

6.3.1 Where an exemption to the noise bylaw is granted the applicant will notify businesses and residents within 45 meters of the parcel property lines. The applicant will also send a copy of the community notification to the City of Penticton Development Services Department and the R.C.M.P. The notification will be in writing and forwarded at least 24 hours and no more than 7 days prior to the exempted noise. The notification shall include:

#### The applicant's information:

- 1) The company and or construction company name, address, and telephone number;
- 2) The project name and address of the construction site;
- 3) The 24 hour monitored contact name and contact number.

#### The details of the exempted work:

- 1) Potential disruptions and other relevant activity including lights construction cranes, trucks, etc.;
- 2) The reasons why the noise exempted work is necessary.
- 3) Information about the exemption granted as well as any limitations or conditions imposed by the City regarding the exemption as well as a description of any steps taken or planned to minimize the noise nuisance.
- 4) Telephone numbers for the "City of Penticton and the RCMP."

---

The permission granted is for the date and times for the event or activity as set.

**Failure to comply with the above condition may result in the Noise Exemption Permit being revoked.**
