# FINANCIAL STATEMENTS

# Chief Financial Officer's Report

### May 2020

Your Worship and Members of Council,

I am pleased to present the City of Penticton's 2019 Annual Financial Report for the year ended December 31, 2019 as required by Sections 98 and 167 of the Community Charter.

The audited financial statements and supplementary financial schedules have been prepared by City staff in conformance with generally accepted accounting principles as prescribed by the Public Sector Accounting Standards (PSAS) of the Chartered Professional Accountants of Canada. Management maintains systems of internal budgetary and accounting controls that provide assurance for safeguarding of assets and the reliability of information. These systems are monitored and evaluated by management.

These statements were audited by BDO Canada LLP, and their responsibility is to express an opinion as to whether the financial statements prepared by management present fairly the financial position of the City as at December 31, 2019. In their opinion the "consolidated financial statements present fairly, in all material respects, the consolidated financial position of the City as at December 31, 2019".

Operating results from 2019 saw an increase in the City's net financial assets of almost \$14.0 million, bringing its total net financial assets to \$42.6 million. This resulted in an overall improvement of its accumulated surplus by 3.1%, with a total now of \$366.5 million.

Consolidated revenues for the City increased to \$121.1 million in 2019, a 1.1% increase over 2018. This increase was contributed to the increase in taxation revenue, a onetime doubling of the Community Works (Gas Tax) funds to support infrastructure and capacity building priorities, and an increase in investment revenues.

Consolidated expenditures were \$110.1 million – a decrease of 0.45% from 2018, mainly attributed to the additional electrical system projects completed in 2018. These decreases were offset by increases in protective services.

The general revenue fund saw an overall surplus of \$1,292,039, with revenues coming in at \$92.0 million, an increase of 4.1% over 2018. Revenues increased with additional taxation revenue collected, increased Community Works funds and increased investment revenues. Expenditures in 2019 were \$90.7 million, an increase of 3.3% over 2018. The main cost drivers include increases for collective agreement salary adjustments, inflationary cost increases, protective services costs, and transfers to reserves.

As with many municipalities, the City continues to foster strong growth and development while at the same time addressing its aging infrastructure and the emergence of many social issues that are causing safety and security concerns within the community. The City's 2020 Corporate Business Plan focuses on Asset and Amenity Management, Community Safety and Community Design.

In light of the COVID-19 pandemic, and the uncertainty around the short and long term effects of the pandemic, the City has taken steps to reassess its 2020 plan to ensure its long term stability by containing costs, and focusing efforts on essential services and critical projects. This has resulted in a temporary reduction of 20% of its work force and the deferral of non-critical capital projects. While the City has remained focused on its financial health, it has also taken steps to provide relief to its residents and businesses. Recognizing the economic recovery will take time, the City will need to reassess its priorities to ensure it remains fiscally

prudent to ensure the investment of City resources enable the return to a prosperous environment for its residents and businesses.

### **Independent Auditor's Report**

To the Mayor and Council of the Corporation of the City of Penticton

### Opinion

We have audited the financial statements of the Corporation of the City of Penticton and its controlled entities (the "Consolidated Entity"), which comprise the consolidated statement of financial position as at December 31, 2019, and the consolidated statement of operations, the consolidated statement of change in net financial assets and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Consolidated Entity as at December 31, 2019, and its consolidated results of operations, its consolidated change in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Consolidated Entity in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Unaudited Information**

We have not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the supplementary schedules included in the City of Penticton's Financial Statements.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial **Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Consolidated Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Consolidated Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Consolidated Entity's financial reporting process.

BDO Canada LLP, a Canadian limited liability partnership, is a member of BDO International Limited, a UK District limited by guarantee, and forms part of the international BDO network of independent member firms

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Consolidated Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Consolidated Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Consolidated Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Consolidated Entity to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### The City of Penticton **Significant Accounting Policies** December 31, 2019

### **Management's Responsibility for the Financial Statements**

The consolidated financial statements of the City are the responsibility of management. They have been prepared in accordance with Canadian generally accepted accounting principles established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada. The Corporation of the City of Penticton ("the City") is a municipality in the Province of British Columbia and operates under the provisions of the Community Charter. The City provides municipal services such as fire, public works, planning, parks, recreation and other general government services.

### **Basis of Consolidation**

The consolidated financial statements reflect the assets, liabilities, revenue and expenses of all municipal organizations, committees and Boards which are owned or controlled by the City. All inter-entity transactions and balances have been eliminated. The controlled organizations include:

**Penticton Public Library** 

### **Deferred Revenue**

Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue on the Consolidated Statement of Financial Position. The revenue is recognized in the Consolidated Statement of Operations in the year in which it is used for the specified purpose.

### **Revenue Recognition**

### **Taxation**

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. Taxes receivable are recognized net of an allowance for anticipated uncollected amounts.

### **Government Transfers**

Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

### **Utilities**

Charges for sewer and water usage are recorded as user fees. Connection fee revenues are recognized when the connection has been established. Conditional grant revenue is recognized to the extent the conditions imposed on it have been fulfilled.

### The City of Penticton Significant Accounting Policies December 31, 2019

### **Revenue Recognition continued**

### **Fee for Service**

Sales of service and other revenue is recognized on an accrual basis.

### Inventory

The City holds consumable inventory which is recorded at the lower of cost and net realizable value. Cost is determined on a weighted average basis.

### **Tangible Capital Assets**

Tangible capital assets are not available to discharge existing liabilities and are held for use in the provision of goods and services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Tangible capital assets are recorded at cost, net of capital asset disposals, write-downs and amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. The City holds several works of art and historic treasures that have not been included in the tangible capital assets, including displays at the museum and various works of art and decorations in the facilities. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing once the asset is available for productive use as follows:

| Buildings                           | 20 to 70 years        |
|-------------------------------------|-----------------------|
| Roads and Sidewalks                 | 25 to 75 years        |
| Machinery and Equipment             | 5 to 20 years         |
| Water Infrastructure                | 50 to 100 years       |
| Sewer Infrastructure                | 10 to 100 years       |
| Electrical Infrastructure           | 20 to 50 years        |
| Parks and Recreation Infrastructure | 10 to 50 years        |
| Vehicles                            | 10 to 20 years        |
| Furniture and Equipment             | 10 to 20 years        |
| Computer Hardware and Software      | 4 to 10 years         |
| Books and Library Materials         | 5 to 13 years         |
| Construction in progress            | No amortization taken |

### The City of Penticton **Significant Accounting Policies** December 31, 2019

### **Retirement and Employee Benefits**

The City's retirement contributions due during the period to its multi-employer defined benefit plan are expensed as incurred.

City employees belonging to CUPE local 608 are eligible to accumulate sick leave until termination of employment. Unused sick leave is not eligible for payment upon retirement or termination and may not be used as vacation. Employees may accumulate a maximum of 10 days of sick leave.

### **Reserve for Future Expenditure**

Reserves for future expenditure are non-statutory reserves which represent an appropriation of surplus for specific purposes. Transfers to reserves for future expenditure include funds to finance incomplete projects and accumulations for specific purposes.

### **Statutory Reserve Funds**

The use of these funds is restricted by the Community Charter and associated Municipal Bylaws. Statutory reserve funds are funded 100% by cash and temporary investments.

### **Use of Estimates**

The preparation of consolidated financial statements in accordance with Public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future. Adjustments, if any, will be reflected in the consolidated financial statements in the period that the change in estimate is made, as well as in the period of settlement if the amount is different.

### **Collection of Taxes on Behalf of Other Taxation Authorities**

The City collects taxation revenue on behalf of other entities. Such levies, other revenues, expenses, assets and liabilities with respect to the operations of entities are not reflected in these consolidated financial statements.

### **Contaminated Sites**

A liability for contaminated sites is recognized when a site is not in productive use and the following criteria are met:

- a) An environmental standard exists
- b) Contamination exceeds the environmental standard
- c) The City is directly responsible or accepts responsibility for remediation
- d) It is expected that future economic benefits will be given up; and
- e) A reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of post-remediation including operation, maintenance and monitoring that are an integral part of the remediation strategy for a contaminated site.

As at December 31, 2019 the City has no liability for contaminated sites.

### 1. Term Deposits

|                             | Maturity<br>Date | Effective<br>Interest Rate<br>(%) | 2019          | 2018          |

|  | \$ 10,293,510 | \$ 11,216,855 |

### 3. Development Cost Charges (DCC)

The City collects development cost charges to pay for a proportionate share of infrastructure related to new growth. In accordance with the Local Government Act of BC, these funds must be deposited into a separate reserve fund. When the related costs are incurred, the DCCs are recognized as revenue.

|  | 2019          | 2018          |
|--|---------------|---------------|
| DCC by Type                                |               |               |
| Roads DCC                                  | \$ 2,028,043  | \$ 1,831,008  |
| Parks DCC                                  | 1,017,251     | 833,394       |

| Balance, Beginning of Year                 | 15,657,283    | 14,589,967    |
| Return on Investments                      | 287,495       | 264,877       |
| DCCs Levied in the Year                    | 2,082,890     | 1,239,738     |
| Transfers to General Operating and Capital | (201,907)     | (437,299)     |
|  | \$ 17,825,761 | \$ 15,657,283 |

### **Development Cost Charges Reductions**

In 2010, Council adopted the Development Cost Charge Reduction Bylaw and the companion Economic Incentive Zone Bylaw. The purpose of these bylaws was to spur development in key areas of the City, promote sustainable development and promote the development of affordable rental housing. The bylaws also contain provisions to encourage high-end hotel development. These bylaws will reduce the value of development cost charges, building permit fees and municipal taxes received by The City of Penticton for eligible developments.

The DCC reductions and Economic Incentive tax exemption program have been implemented in accordance with the provisions of Section 933(1) of the Local Government Act and Section 226 of the Community Charter, respectively. In 2019 \$357,149 (2018 - \$390,373) of Economic Incentive tax exemptions were granted. In addition, Council approved \$138,292 (2018 - \$910,736) of DCC reductions in 2019.

### **Deferred Revenue**

Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as Deferred Revenue on the Consolidated Statement of Financial Position. The revenue is recognized in the Consolidated Statement of operations in the year in which it is used for the specified purpose. Deferred Revenue is comprised of the following:

|                              | <br>Taxes       | Rec           | <br>Other     | <br>Total       |
|------------------------------|-----------------|---------------|---------------|-----------------|
| Balance at December 31, 2018 | \$<br>4,503,159 | \$<br>224,461 | \$<br>863,319 | \$<br>5,590,939 |
| Collected                    | 9,374,946       | 703,199       | 593,741       | 10,671,886      |
| Recognized                   | <br>(8,841,412) | (677,004)     | (548,549)     | (10,066,965)    |
| Balance at December 31, 2019 | \$<br>5,036,693 | \$<br>250,656 | \$<br>908,511 | \$<br>6,195,860 |

### 6. Pension Liability

The City and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for administering the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2018, the Plan has about 205,000 active members and approximately 101,000 retired members. Active members include approximately 40,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the Plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for the average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent actuarial valuation as at December 31, 2018 indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The City of Penticton paid \$2,170,449 (2018 - \$2,104,076) for employer contributions to the Plan in fiscal 2019.

The next valuation will be as at December 31, 2021 with results available in 2022.

Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the Plan.

### 7. Contingent Liabilities

### Regional District of Okanagan Similkameen a.

Under Section 836 of the Local Government Act, all monies borrowed by a Regional District, shall be upon its credit at large and shall, in the event of any default, constitute an indebtedness of the member municipalities for which they are jointly and severally liable. At December 31, 2019, the long term debt of the Regional District aggregated \$75,748,289 (2018 - \$79,084,988).

### 7. Contingent Liabilities continued

### b. **Legal Actions**

As at December 31, 2019, certain legal actions are pending against the City as follows:

- 1. The City is aware of various liens registered against the City owned properties located at 903-969 Eckhardt Ave W. These liens were filed by various companies engaged by the third party purchaser of the same properties who subsequently defaulted on the purchase. These companies were not paid and they filed liens against the properties. Twelve liens were filed representing claims totaling \$2,111,921.90. Since then, and within the one year limitation period under the Builders Lien Act, five lien claimants had started legal actions against various parties, including the City, and filed certificates of pending litigation ("CPL") against the properties. One claimant has subsequently abandoned its lien claim and discontinued its action and another claimant reached a settlement. The remaining three claims remain alive with the value of these lien claims totaling \$663,851. It is unknown at this time the likely outcome; however, damages could reach \$66,000, which is 10% of the total claims still being advanced.
- 2. The City has been named a party to an action with respect to a claim made for interference with development rights. The Claimant may have a reasonable basis for a claim; however given the uncertainty of the amount and likeliness of the claim, no accrual has been recorded in regards to these costs.

### **General Contingencies** c.

From time to time there are potential claims against the City for incidents which arise in the ordinary course of business. In the opinion of management and legal counsel, the outcomes of the claims are not determinable at this time and cannot be estimated. Should any loss result from the resolution of these claims, such loss will be charged to operations in the year of resolution.

### Letters of Credit

In addition to the performance deposits reflected in the Consolidated Statement of Financial Position, the City is holding irrevocable Letters of Credit in the amount of \$664,938 which were received from depositors to ensure their performance of works to be undertaken within the City. These amounts are not reflected in the Consolidated Financial Statements but are available to satisfy liabilities arising from non-performance by the depositors.

### 9. Long Term Debt

Long Term Debt

Long term debt reported on the Consolidated Statement of Financial Position is comprised of the following:

2019 2018 30,980,819 34,373,676

Principal repayments relating to long term debt of \$30,980,819 outstanding are due as follows (in thousands):

|              | <br>2020    | 2021        |    | 2022  |    | 2023  |    | 2024  | T  | hereafter | Sinking<br>Fund |
|--------------|-------------|-------------|----|-------|----|-------|----|-------|----|-----------|-----------------|
| General Fund | \$<br>1,346 | \$<br>1,215 | \$ | 1,215 | \$ | 1,218 | \$ | 915   | \$ | 3,277     | \$<br>6,142     |
| Sewer Fund   | 539         | 539         |    | 539   |    | 539   |    | 539   |    | 2,356     | 4,023           |
| Water Fund   | <br>422     | <br>422     | _  | 422   | _  | 422   | _  | 422   |    | 1,506     | 2,962           |
|              | \$<br>2,307 | \$<br>2,176 | \$ | 2,176 | \$ | 2,179 | \$ | 1,876 | \$ | 7,139     | \$<br>13,127    |

Long term debt is secured by the assets of the City. The Long Term Debt is held by the Municipal Finance Authority. The principal payments are invested by the Municipal Finance Authority into a Sinking Fund. The principal repayments are currently calculated at a rate of 2.5%. The 2019 earnings in the Sinking Fund were calculated to be \$1,060,511 and are included in Other Revenue on the Consolidated Statement of Operations.

### 10. Tangible Capital Assets

The City of Penticton budgets for Tangible Capital Assets (TCA) as well as non-operating repairs and maintenance through the capital budget. During the year, the City incurred \$17,461,473 of expenditures that fall within the Capital Budget. Of this amount, \$11,404,021 met the TCA capitalization policy criteria while the remaining \$6,057,452 was expensed due to the expenditure being outside the TCA capitalization policy criteria or they were related to repairs and maintenance.

10. Tangible Capital Assets continued

### 12. Credit Facilities

#### **Line of Credit** a.

The City holds a \$5,000,000 line of credit with the Valley First Credit Union. This line of credit has a borrowing rate of prime and is secured by the Revenue Anticipation Borrowing Bylaw 2011 No. 5003.

As of December 31, 2019 there was no balance outstanding.

### b. **Bank Indebtedness**

The City holds a \$4,230,000 EFT limit.

### 13. Municipal Finance Authority

Cash Deposits and Demand Notes - The City issues the majority of its debt instruments through the Municipal Finance Authority. As a condition of these borrowings, a portion of the debenture proceeds is withheld by the Municipal Finance Authority as a debt reserve fund. The City also executes demand notes in connection with each debenture whereby the City may be required to loan certain amounts to the Municipal Finance Authority. These demand notes are contingent in nature.

Proceeds on loan requests are 98.40% of the gross amount of the loan. 1% is deducted by the MFA for security against loan default (this is held in trust by the MFA in its Debt Reserve Fund and will be refunded to clients, with interest, at loan expiry). The remaining 0.60% is deducted as an issue expense to cover the costs of administering the Debt Reserve Fund.

As at December 31, 2019 the Debt Reserve Fund demand note requirements were \$1,830,379 (2018 - \$1,847,557). In addition, cash deposits totaling \$859,924 (2018 - \$844,411) were held by the MFA.

### 14. Budget

The Financial Plan (Budget) Bylaw No. 2019-10 adopted by Council on April 2, 2019 was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget figures anticipated use of reserves accumulated in previous years to reduce current year expenditures in excess of current year revenues to Nil. In addition, the budget expensed all tangible capital expenditures rather than including amortization expense. As a result, the budget figures presented in the statements of operations and change in net financial assets represent the Financial Plan adopted by Council with adjustments as follows:

|  | 2019          |
|--|---------------|
| Financial Plan (Budget) Bylaw surplus for the year | \$ -          |
| Add:   |               |
| Transfer to Funds/Reserves                         | 21,973,920    |
| Debt Principal Repayments                          | 2,333,054     |
| Budgeted Capital Expenditures - General            | 6,960,397     |
| Budgeted Capital Expenditures - Electric           | 3,693,238     |
| Budgeted Capital Expenditures - Sewer              | 4,577,800     |
| Budgeted Capital Expenditures - Water              | 5,512,200     |

### 16. Penticton Public Library

The establishment of a municipal public library in the City of Penticton Bylaw 2639 was passed December 8, 1969. The Bylaw indicates that the City exercises significant influence over the Penticton Public Library and is required to fund its operations as per the Library Act. The Penticton Public Library assets as managed by the Library Board are recorded as assets of the City. The operations of the Penticton Public Library have been wholly consolidated by the City.

### 17. Taxation

|  | Budget        | 2019          | 2018          |
|--|---------------|---------------|---------------|
| Municipal Taxation                             |               |               |               |

### 18. Comparative Figures

Certain comparative figures have been reclassified to conform with the current year presentation.

### 19. Contractual Rights

Contractual rights are rights to economic resources arising from contracts or agreements that will result in an asset in the future. The City's contractual rights arise because of contracts entered into for long-term land leases that grant rights to the City, upon termination of the lease, to any Building(s) the Tenant has constructed on the land. The following listing outlines the nature, amount, and timing for each of the City's contractual rights to future assets:

### The Penticton Golf & Country Club

The LEASE Agreement between The City of Penticton and The Penticton Golf & Country Club dated July 1, 2007, will generate an asset to the City upon expiry of the lease. The LEASE Agreement grants the right of ownership of the Golf Clubhouse Building to the City; the current market value for this building is \$1,656,000. This is a 26 year, 4 month Lease, due to expire in 2033.

### Art Gallery of the South Okanagan (Inc. 9986)

The LEASE Agreement between The City of Penticton and the Art Gallery of the South Okanagan (Inc, 9986) dated October 1, 1999, will generate an asset to the City upon expiry of the lease. The LEASE Agreement grants the right of ownership of the Art Gallery Building to the City; the current market value for this building is \$935,000. This is a 20 year Lease, that expired in 2019 and is currently operating on a month to month basis.

### **Penticton Seniors' Drop-in Centre Society**

The LEASE Agreement between The City of Penticton and the Penticton Seniors' Drop-in Centre Society dated May 31, 2019, will generate an asset to the City upon expiry of the lease. The LEASE Agreement grants the right of ownership of the Drop-In Centre Building to the City; the current market value for this building is \$1,708,000. This is a 20 year Lease, due to expire in 2039.

### **Gateway Casinos & Entertainment Limited**

The LEASE Agreement between The City of Penticton and Gateway Casinos & Entertainment Limited dated May 4, 2016, will generate an asset to the City upon expiry of the lease. The LEASE Agreement grants the right of ownership of the Casino Building to the City; the current market value for this building is \$12,595,000. This is a 20 year Lease, due to expire in 2036 with two 10-year extension options.

### 20. Segmented Information

The City is a diversified municipal government institution that provides a wide range of services to its citizens such as transit, police, fire, water and electricity. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

### **General Government Services**

General Government operations are primarily funded by property taxation. This segment includes all of the revenues and expenses that relate to the operations of the City itself and cannot be directly attributed to one of the other specific segments including administration, financial services, human resources, information technology, and revenue and collections.

### 20. Segmented Information continued

### **Protective Services**

Protection is comprised of police services, fire protection dog control and building services. The police services work to ensure the safety and protection of the citizens and their property. The fire department is responsible to provide fire suppression service, fire prevention programs, training and education.

### **Transportation Services**

Transportation is responsible for the delivery of municipal public works services related to the City's public transit services, roads and maintenance, bridges, drainage systems, bylaw services, public works, street lighting and traffic

### **Environmental Health Services**

Environmental services consists of providing waste disposal to citizens.

### **Public Health and Safety**

Health services are comprised of public health services; this segment includes the operation of the City's Cemeteries.

### **Environmental Development Services**

This segment includes city planning, economic development and ensures all property development and land use is in line with City Bylaw's and policies and is in the best interest of the community.

### **Recreation and Culture**

This segment provides services meant to improve health and development of the City's citizens. Recreational programs and cultural programs like swimming and skating lessons are provided at the arenas, the aquatic centre and the community centre. Also, the City provides library services to assist with its citizens' informational needs and a museum that houses collections and artifacts. The segment also includes parks, land administration and the City's net contribution to the operations of the South Okanagan Events Centre.

### **Electrical Utility**

The electrical supply system is responsible for distribution of electricity to the City's citizens and businesses. This segment includes all of the operating activities related to the supply of the City's electricity.

### **Sewer Utility**

The City's sanitary sewer system collects, conveys and treats and disposes of domestic and industrial wastewater. This segment includes all of the operating activities related to the collection and treatment of wastewater (sewage) throughout the City.

### 20. Segmented Information continued

### **Water Utility**

The water utility is responsible for planning, designing, building and operating and maintaining the City's water system and includes all of the operating activities related to the treatment and distribution of water throughout the City.

### 21. Cemetery Perpetual Trust Fund

The Cemetery Trust fund is established in accordance with the Cremation, Interment, and Funeral Services Act, to upkeep the cemetery grounds/facilities upon closure of the cemetery. As per legislation, current interest income earned on the Reserve balance may be used to offset cemetery operating and capital expenditures. Annual cemetery operating and capital expenditures are approved by Council through the annual budgeting process. The trust fund assets and liabilities are not included in the consolidated financial statements. At December 31, 2019, the balance of funds held in trust was \$1,056,150 (2018 - \$1,017,095).

### 22. COVID-19

Subsequent to year end, the impact of COVID-19 in Canada and on the global economy increased significantly. As the impacts of COVID-19 continue, there could be further impact on the City, its citizens, employees, suppliers and other third party business associates that could impact the timing and amounts realized on the City's assets and future ability to deliver services and projects. At this time, the full potential impact of COVID-19 on the City is not known. Although the disruption from the virus is expected to be temporary, given the dynamic nature of these circumstances, the duration of disruption and the related financial impact cannot be reasonably estimated at this time. The City's ability to continue delivering non-essential services and employ related staff, will depend on the legislative mandates from the various levels of government. The City will continue to focus on collecting receivables, managing expenditures, and leveraging existing reserves and available credit facilities to ensure it is able to continue providing essential services to its citizens.
