The Corporation of the City of Penticton British Columbia

Consolidated Financial Statements

December 31, 2013

BDO Canada LLP 102 - 100 Front Street Penticton BC V2A 1H1 Canada

Independent Auditor's Report

To the Mayor and Council
The Corporation of the City of Penticton

We have audited the accompanying consolidated financial statements of The Corporation of the City of Penticton, which comprises the consolidated statement of financial position as at December 31, 2013, and the consolidated statements of operations, change in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of The Corporation of the City of Penticton as at December 31, 2013 and the results of its operations, change in net debt and cash flows for the year then ended in accordance with Public Sector Accounting Standards.

SIGNIFICANT ACCOUNTING POLICIES DECEMBER 31, 2013

Management's Responsibility for the Financial Statements

The consolidated financial statements of the City are the responsibility of management. They have been prepared in accordance with Canadian generally accepted accounting principles established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants. The Corporation of the City of Penticton ("the City") is a municipality in the Province of British Columbia and operates under the provisions of the Community Charter. The City provides municipal services such as fire, public works, planning, parks, recreation and other general government services.

Basis of Consolidation

The consolidated financial statements reflect the assets, liabilities, revenue and expenses of all municipal organizations, committees and Boards which are owned or controlled by the City. All inter-entity transactions and balances have been eliminated.

Interfund Balances and Transactions

All material interfund transactions and balances have been eliminated within the Consolidated Financial Statements.

Deferred Revenue

Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue on the Consolidated Statement of Financial Position. The revenue is recognized in the Consolidated Statement of Operations in the year in which it is used for the specified purpose.

Revenue Recognition

Taxation

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. For property taxes, the taxable event is the period for which the tax is levied. Taxes receivable are recognized net of an allowance for anticipated uncollected amounts.

Government Transfers

Government transfers are recognized as revenue in the financial statements when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Utilities

Charges for sewer and water usage are recorded as user fees. Connection fee revenues are recognized when the connection has been established. Conditional grant revenue is recognized to the extent the conditions imposed on it have been fulfilled.

Fee for Service

Sales of service and other revenue is recognized on an accrual basis.

SIGNIFICANT ACCOUNTING POLICIES DECEMBER 31, 2013

Financial Instruments

The City's financial instruments consist of cash and term deposits, accounts receivable, accrued interest receivable, Municipal Finance Authority, bank indebtedness, trade accounts payable and accrued liabilities, deposits and long term debt. Unless otherwise noted, it is management's opinion that the City is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair values of these financial instruments approximate their carrying value, unless otherwise noted.

Tangible Capital Assets

Tangible capital assets are not available to discharge existing liabilities and are held for use in the provision of goods and services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

Tangible capital assets are recorded at cost, net of capital asset disposals, write-downs and amortization. Cost includes all costs directly attributable to acquisition or construction of the tangible capital asset including transportation costs, installation costs, design and engineering fees, legal fees and site preparation costs. Contributed tangible capital assets are recorded at fair value at the time of the donation, with a corresponding amount recorded as revenue. Amortization is recorded on a straight-line basis over the estimated life of the tangible capital asset commencing once the asset is available for productive use as follows:

Buildings	20 to 70 years
Roads and Sidewalks	25 to 75 years
Machinery and Equipment	5 to 20 years
Water Infrastructure	10 to 100 years
Sewer Infrastructure	10 to 100 years
Electrical Infrastructure	20 to 25 years
Parks and Recreation Infrastructure	10 to 50 years
Vehicles	5 to 20 years
Furniture and Equipment	10 to 15 years
Computer Hardware and Software	4 to 10 years

Reserve for Future Expenditure

Reserves for future expenditure are non-statutory reserves which represent an appropriation of surplus for specific purposes. Transfers to reserves for future expenditure include funds to finance incomplete projects and accumulations for specific purposes.

Statutory Reserve Funds

The use of these funds is restricted by the Community Charter and associated Municipal Bylaws. Statutory reserve funds are funded 100% by cash and temporary investments.

SIGNIFICANT ACCOUNTING POLICIES DECEMBER 31, 2013

Use of Estimates

The preparation of consolidated financial statements in accordance with Public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future. Adjustments, if any, will be reflected in the consolidated financial statements in the period that the change in estimate is made, as well as in the period of settlement if the amount is different.

Collection of Taxes on Behalf of Other Taxation Authorities

The City collects taxation revenue on behalf of other entities. Such levies, other revenues, expenses, assets and liabilities with respect to the operations of entities are not reflected in these consolidated financial statements.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2013

1. Change in Accounting Policy

During the year the City adopted two new public sector accounting standards both of which were adopted without restatement of prior year comparative figures as follows:

Government transfers — which recognizes the transfer as revenue when the funds are received unless there are stipulations that give rise to an obligation that meets the definition of a liability. As a result of adopting this standard in the current year, the amount previously deferred at December 31, 2012 of \$419,879 (without having a stipulation that gave rise to a liability) was recognized as revenue as of January 1, 2013 in the Consolidated Statement of Operations.

Tax revenue – recognizes taxes as an asset and revenue once they have met the definition of an asset and taxes are levied, furthermore, taxes are subsequently evaluated for collectability. No changes were necessary to the December 31, 2013 assets or revenues as a result of this change in accounting policy.

2. Term Deposits

	Amount	Interest Rate (%)	Maturity Date
Valley First Credit	\$ 5,066,678	1.90	May 17, 2014
Valley First Credit	2,500,000	1.85	July 29, 2014

0049

2042

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2013

4. Development Cost Charges Reserve Fund (DCC)

The City collects development cost charges to pay for a proportionate share of infrastructure related to new growth. In accordance with the Local Government Act of BC, these funds must be deposited into a separate reserve fund. When the related costs are incurred, the DCCs are recognized as revenue.

		2013	 2012
DCC by Type			
Roads DCC	\$	694,822	\$ 242,921
Reserve for guarantees, warranties or indemnities		128,999	81,496

Return on Investments		110,600	84,916
DCCs Levied in the Year		2,515,156	517,125
Transfers to General Operating		(486,972)	 (318,050)
	<u>\$_</u>	7,345,974	\$ 5,207,190

5. Development Cost Charges

In 2010, Council adopted the Development Cost Charge Reduction Bylaw and the companion Economic Incentive Zone Bylaw. The purpose of these bylaws was to spur development in key areas of the city, promote sustainable development and promote the development of affordable rental housing. The bylaws also contain provision to encourage high-end hotel development. These bylaws will reduce the value of development cost charges, building permit fees and municipal taxes received by The City of Penticton for eligible developments.

The DCC reductions and Economic Incentive tax exemption program have been implemented in accordance with the provisions of Section 933(1) of the Local Government Act and Section 226 of the Community Charter, respectively. In 2013, \$23,579 (2012 - \$1,797) of Economic Incentive tax exemptions were granted. In addition, Council approved \$359,070 (2012 - \$11,396) in DCC reductions in 2013.

6. Pension Liability

The City and its employees contribute to the Municipal Pension Plan (Plan) a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The Plan is a multi-employer contributory pension plan. Basic pension benefits provided are defined. The Plan has about 179,000 active members and approximately 71,000 retired members. Active members include approximately 258 contributors from the City of Penticton.

The latest valuation as at December 31, 2012 indicated a unfunded liability of \$1.370 million for basic pension benefits. The next valuation will be as at December 31, 2015 with results available in 2016. Employers participating in the Plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the Plan records accrued liabilities and accrued assets for the Plan in aggregate with the result that there is no consistent and reliable basis for allocating the obligation, assets and cost to the individual employers participating in the Plan.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2013

6. Pension Liability continued

The City of Penticton paid \$1,485,869 (2012 - \$1,485,197) for employer contributions to the Plan in fiscal 2013.

7. Contingent Liabilities

a. Regional District of Okanagan Similkameen

Under Section 836 of the Local Government Act, all monies borrowed by a Regional District, shall be upon its credit at large and shall, in the event of any default, constitute an indebtedness of the member municipalities for which they are jointly and severally liable. At December 31, 2013, the long term debt of the Regional District aggregated \$98,708,795 (2012 - \$107,166,215).

b. Legal Actions

As at December 31, 2013, certain legal actions are pending against the City as follows:

- 1. The City is aware of various liens registered against the City owned properties located at 903-969 Eckhardt Ave W. These liens were filed by various companies engaged by the third party purchaser of the same properties who subsequently defaulted on the purchase. These companies were not paid and they filed liens against the properties. Twelve liens were filed representing claims totaling \$2,111,921.90. Since then, and within the one year limitation period under the Builders Lien Act, five lien claimants had started legal actions against various parties, including the City, and filed certificates of pending litigation ("CPL") against the properties. One claimant has subsequently abandoned its lien claim and discontinued its action. The remaining four claims remain alive with the value of these lien claims totaling \$1,043,731. It is unknown at this time the likely outcome; however, damages could reach \$104,000, which is 10% of the total claims still being advanced. \$317,212 is being held in trust by the City's legal counsel pending settlement of these claims.
- 2. The City of Penticton has been named a party to an action related to the construction of the indoor soccer facility with respect to deficiencies in the physical durability of the outer covering. Expected exposure relates to costs which cannot be reasonably estimated at this time. Given the uncertainty of the amount and likeliness of the claim, no accrual has been recorded in regards to these costs.
- 3. The City of Penticton has been named a party to an action with respect to the City's operation of the Carmi Landfill on lands now owned by the Plaintiff. The Plaintiff alleges that the City is liable for remediation of the contamination and seeks damages for negligence, trespass and nuisance but expected exposure cannot be reasonably estimated at this time. The action has been placed in abeyance while the Plaintiff completes further environmental studies. The amount of the claim is unspecified. Given the uncertainty of the amount and likeliness of the claim, no accrual has been recorded in regards to these costs.
- 4. The City of Penticton has been named a party to an action with respect to a claim filed with the Expropriation Compensation Board claiming constructive expropriation and injurious affection arising from the Campbell Mountain Landfill, and in particular, methane gas emissions from the landfill. The City filed its Statement of Defense in 2000 and the claim has not moved forward for some time. Expected exposure cannot be reasonably estimated at this time. Given the uncertainty of the amount and likeliness of the claim, no accrual has been recorded in regards to these costs.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2013

7. Contingent Liabilities continued

b. Legal Actions continued

- 5. That the City, as the licensee, has entered into a license agreement with Team Challenge GMBH to host an international, world-class long distance triathlon in the City of Penticton. Under the terms of that License Agreement, the City is contractually obliged to host and, either on its own or through a third party society, organize and execute the Challenge Event. The City is contractually obliged to impose all obligations of the City under the License Agreement upon the Penticton Triathlon Race Society through a written contract. Under the terms of the License Agreement, the City is entitled to charge potential participants of the Challenge Event registration fees. The Delivery of Services Agreement with the Penticton Triathlon Race Society acknowledges that the assets of the Society shall at all times be the property solely of the City notwithstanding that the Society may have paid directly for the said property and that title thereto shall not pass to the Society. All assets of the Society of every kind and description including intellectual property will remain solely the property of the City of Penticton. At the expiration of the Term of the Agreement, the Society shall deliver to the City the assets of the Society and there is a possibility the City may assume some of the responsibility for some of the outstanding liabilities.
- 6. The City of Penticton filed a Petition against the Penticton Hospitality Association (PHA) on January 24, 2014 in the Penticton Registry of the BC Supreme Court, the hearing on the petition proceeding in Kelowna March 18, 2014 to March 20, 2014. The City is awaiting a decision on the petition and there is a possibility that the City would be obliged to pay the PHA's legal costs in the event the City is unsuccessful. As at December 31, 2013 the City held \$215,708 MRDT and is reflected in the General Revenue Fund Statement of Financial Position as well as the Consolidated Statement of Financial Position.

c. General Contingencies

From time to time there are potential claims against the Ctiy for incidents which arise in the ordinary course of business. In the opinion of management and legal counsel, the outcomes of the claims are not determinable at this time and cannot be estimated. Should any loss result from the resolution of these claims, such loss will be charged to operations in the year of resolution.

8. Letters of Credit

In addition to the performance deposits reflected in the Consolidated Statement of Financial Position, the City is holding irrevocable Letters of Credit in the amount of \$2,076,837 which were received from depositors to ensure their performance of works to be undertaken within the City. These amounts are not reflected in the Consolidated Financial Statements but are available to satisfy liabilities arising from non-performance by the depositors.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2013

9. Net Long Term Debt

Net long term debt reported on the Consolidated Statement of Financial Position is comprised of the following:

	2013 2012	
Municipal Finance Authority		
(See Debt Issued and Outstanding Sch.)	<u>\$ 60,295,264</u> <u>\$ 67,599,3</u>	<u>65</u>

Principal repayments relating to net long term debt of \$60,295,264 outstanding are due as follows (in thousands):

	2014	 2015	2016	2017	 2018	TI	nereafter
General Fund	\$ 3,225	\$ 3,226	\$ 3,228	\$ 3,229	\$ 3,230	\$	19,792
Sewer Fund	575	575	575	575	575		10,732
Water Fund	 549	 549	 458	 422	 422	_	8,358
	\$ 4,349	\$ 4,350	\$ 4,261	\$ 4,226	\$ 4,227	\$	38,882

Long term debt is secured by the assets of the City. The Long Term Debt is held by the Municipal Finance Authority. The principal payments are invested by the Muncipal Finance Authority into a Sinking Fund. The principal repayments are currently calculated at a rate of 4%. The 2013 earnings in the Sinking Fund were calculated to be \$1,449,371 and are included in Other Revenue on the Consolidated Statement of Operations.

10. Tangible Captial Assets

In 2013 the City of Penticton incurred \$11,021,701 of Capital Expenditures. The Tangible Capital Asset Policy requires that capital expenditures beneath a specified threshold are not capitalized. The total amount capitalized in accordance with the TCA Policy is \$8,559,790 for 2013. The amount of Capital purchases below the TCA threshold that were expensed within the Consolidated Statement of Operations were \$2,461,911.

	\$ 88,836,1 <u>5</u>	<u>2 \$</u>	84,433,907

12. Credit Facilities

a. Line of Credit

The City holds a \$5,000,000 line of credit with the Valley First Credit Union. This line of credit has a borrowing rate of prime and is secured by the Revenue Anticipation Borrowing Bylaw 2011 No. 5003. There is currently no balance or amount outstanding.

b. Bank Indebtedness

The City holds a \$3,480,000 EFT limit.

13. Municipal Finance Authority

Cash Deposits and Demand Notes - The City issues the majority of its debt instruments through the Municipal Finance Authority. As a condition of these borrowings, a portion of the debenture proceeds is withheld by the Municipal Finance Authority as a debt reserve fund. The City also executes demand notes in connection with each debenture whereby the City may be required to loan certain amounts to the Municipal Finance Authority. These demand notes are contingent in nature.

Proceeds on loan requests are 98.40% of the gross amount of the loan. 1% is deducted by the MFA for security against loan default (this is held in trust by the MFA in its Debt Reserve Fund and will be refunded to clients, with interest, at loan expiry). The remaining 0.60% is deducted as an issue expense to cover the costs of administering the Debt Reserve Fund.

As at December 31, 2013 the Debt Reserve Fund demand note requirements were \$3,534,669 (2012 - \$4,416,699). In addition, cash deposits totaling \$1,179,657 (2012 - \$1,244,321) were held by the MFA.

14. Land Inventory Held for Re-Sale

Land inventory held for re-sale is recorded at the lower of cost and net realizable value. Cost includes the amount of acquisition, legal fees, and improvements to prepare the properties for sale or servicing.

It is reasonably anticipated that real estate properties held for resale will be sold outside the reporting entity within one year of the Consolidated Statement of Financial Position date.

Land inventory held for re-sale consists of vacant lots along Eckhardt Avenue and is carried at cost of \$2,397,891 on the Consolidated Statement of Financial Position.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2013

15. Budget

The Financial Plan (Budget) Bylaw adopted by Council on December 17, 2012 was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget was prepared on a modified accrual basis while Public Sector Accounting Standards now require a full accrual basis. The budget figures anticipated use surpluses accumulated in previous years to reduce current year expenditures in excess of current year revenues to Nil. In addition, the budget expensed all tangible capital expenditures rather than including amortization expense. As a result, the budget figures presented in the statements of operations and change in net financial assets (debt) represent the Financial Plan adopted by Council with adjustments as follows:

	2013
Financial Plan (Budget) Bylaw surplus for the year	\$ -
Add:	
Transfer to Funds/Reserves	12,824,976
Debt Principal Repayments	5,852,327
Budgeted Capital Expenditures	14,415,998

17. Comparative Figures

Certain comparative figures have been reclassified to conform with the current year presentation.

18. Segmented Information

The City is a diversified municipal government institution that provides a wide range of services to its citizens such as transit, police, fire, water and electricity. Distinguishable functional segments have been separately disclosed in the segmented information. The nature of the segments and the activities they encompass are as follows:

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS DECEMBER 31, 2013

18. Segmented Information continued

General Government Services

This segment includes all of the revenues and expenses that relate to the operations of the City itself and cannot be directly attributed to a specific segment.

Protective Services

Protection is comprised of police services and fire protection. The police services work to ensure the safety and protection of the citizens and their property. The fire department is responsible to provide fire suppression service, fire prevention programs, training and education.

Transportation Services

Transportation is responsible for providing the City's transit services.

Environmental Health Services

Environmental services consists of providing waste disposal to citizens.

Public Health and Safety

Health services are comprised of public health services which works to improve the overall health of the population and overcome health inequalities by providing services to individuals and communities.

Environmental Development Services

This segment includes city planning, maintenance and enforcement of building and construction codes and review of all property development plans through its application process.

Recreation and Culture

This segment provides services meant to improve health and development of the City's citizens. Recreational programs and cultural programs like swimming and skating lessons are provided at the arenas, the aquatic centre and the community centre. Also, the City provides library services to assist with its citizens' informational needs and a museum that houses collections and artifacts.

Electrical Supply

This segment includes all of the operating activities related to the supply of the City's electricity.

Sewer System Utility

This segment includes all of the operating activities related to the collection and treatment of wastewater (sewage) throughout the City.

Water Utility Services

This segment includes all of the operating activities related to the treatment and distribution of water throughout the City.

BDO Canada LLP 102 - 100 Front Street Penticton BC V2A 1H1 Canada

To the Mayor and Council
The Corporation of the City of Penticton

We have audited the consolidated financial statements of The Corporation of the City of Penticton, which comprise the consolidated statement of financial position as at December 31, 2013 and consolidated statements of operations, change in net debt and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information and have issued our report thereon dated June 23, 2014. This report contained an unmodified opinion on the consolidated financial statements as a whole. The following supplemental financial information is presented for the purposes of additional analysis and is not a required part of the consolidated financial statements. Such supplementary information is the responsibility of management and was derived from the underlying accounting and other records used to prepare the consolidated financial statements.

The supplementary information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such supplementary information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves.
