

Subject & Proposal:

Zoning Amendment Bylaw 2026-21

City staff use and manage the Zoning Bylaw on a regular basis to regulate land use within Penticton. General updates to the Zoning Bylaw are completed as needed so that the Bylaw can be clearly interpreted and that the regulations meet the current needs of the community.

Throughout the year, staff have noted regulations within the bylaw that may need additional review to ensure that the bylaw remains modern, clear and effective.

Zoning Amendment Bylaw 2026-21 is an administrative change to Zoning Bylaw No. 2024-22 intended to improve clarity around land use regulations in the City of Penticton.
