

Markers

Memorial markers for your loved one can be ordered through a funeral home or directly through a monument company.

To ensure that everyone continues to enjoy Lakeview Cemetery, there are a few restrictions on the size, placement, appearance, installation and maintenance of memorial markers. For example, markers on crypts and niches can only accommodate names and dates because of their limited size. Contact us to find out more.

Columbarium Gardens

With sweeping views of Okanagan Lake, features of the Columbarium Gardens include a beautiful reflection pool, water wall, service chapel, lighting and lush landscaping.

Columbarium interment options include: mausoleum crypts, columbarium niches, inground ossuary and scattering garden for cremation interments. Columbarium options can be pre-purchased, while in-ground plots can not.

Lakeview Cemetery

Lakeview Cemetery offers scenic beauty and a place of serenity to reflect and remember loved ones.

Lakeview Cemetery

Located on the east bench of Penticton overlooking Okanagan Lake, Lakeview Cemetery offers scenic beauty and a tranquil setting - a true place of serenity to reflect and remember loved ones.

This historic 14 acre property rests at the foot of Munson Mountain, between wineries and the Kettle Valley Rail Trail. It hosts beautiful architecture, gardens, courtyards and mature tree-lined lane ways.

Visiting hours

Lakeview Cemetery is open to visitors every day from 7am to dusk (one hour after sunset). Caretaker hours are Monday through Friday 8am-4:30pm, from April 1 to October 31.

Old Section

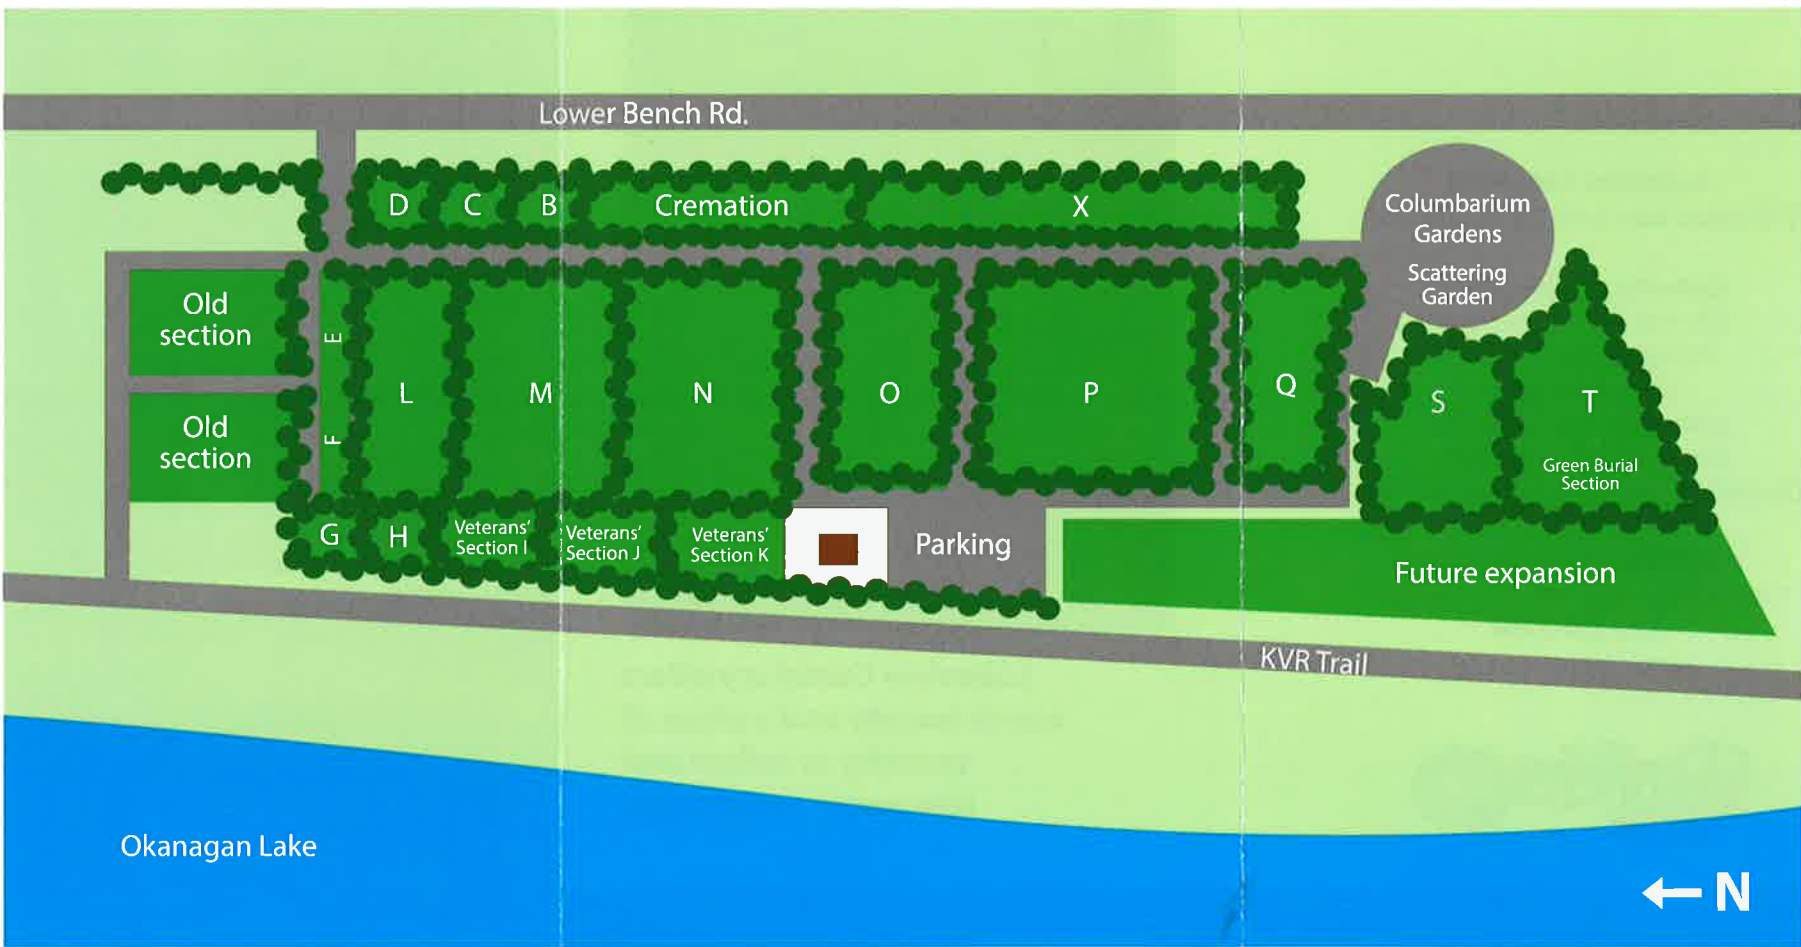

Tree-lined, in-ground plots

Veterans', Upright Marker Section

Scattering Garden

Floral Offerings

Lakeview welcomes cut flowers, wreaths and floral offerings on graves (or in vases on columbarium niches) with one flower arrangement per plot. Caretakers will remove flowers once their condition has deteriorated. Fresh flowers are welcomed year-round. Artificial flowers can be placed Nov. 1st to March 31.

For the safety of visitors and staff, please don't leave photos, vases or candles in the cemetery. We also ask that you don't plant your own trees, shrubs, plants, flowers or bulbs.
