Mobile Food Vendors,

Re: 2023 Fire Department Inspections

To Whom It May Concern;

The City of Penticton requires that you obtain approval from the Penticton Fire Department to be able to cook or prepare food within the jurisdiction of the City of Penticton. The Penticton Fire Department will be offering free inspections April 26 & 27, 2023, from 9:00 to 16:00 each day.

Please note that all servicing of life safety equipment must be complete prior to the date of your scheduled inspection. If any of the service, work is not complete or in satisfactory condition, approval will not be given. All inspections conducted outside of these dates will be charged a fee of \$54.60. All applicable gas and electrical certifications must be present at the time of inspection.

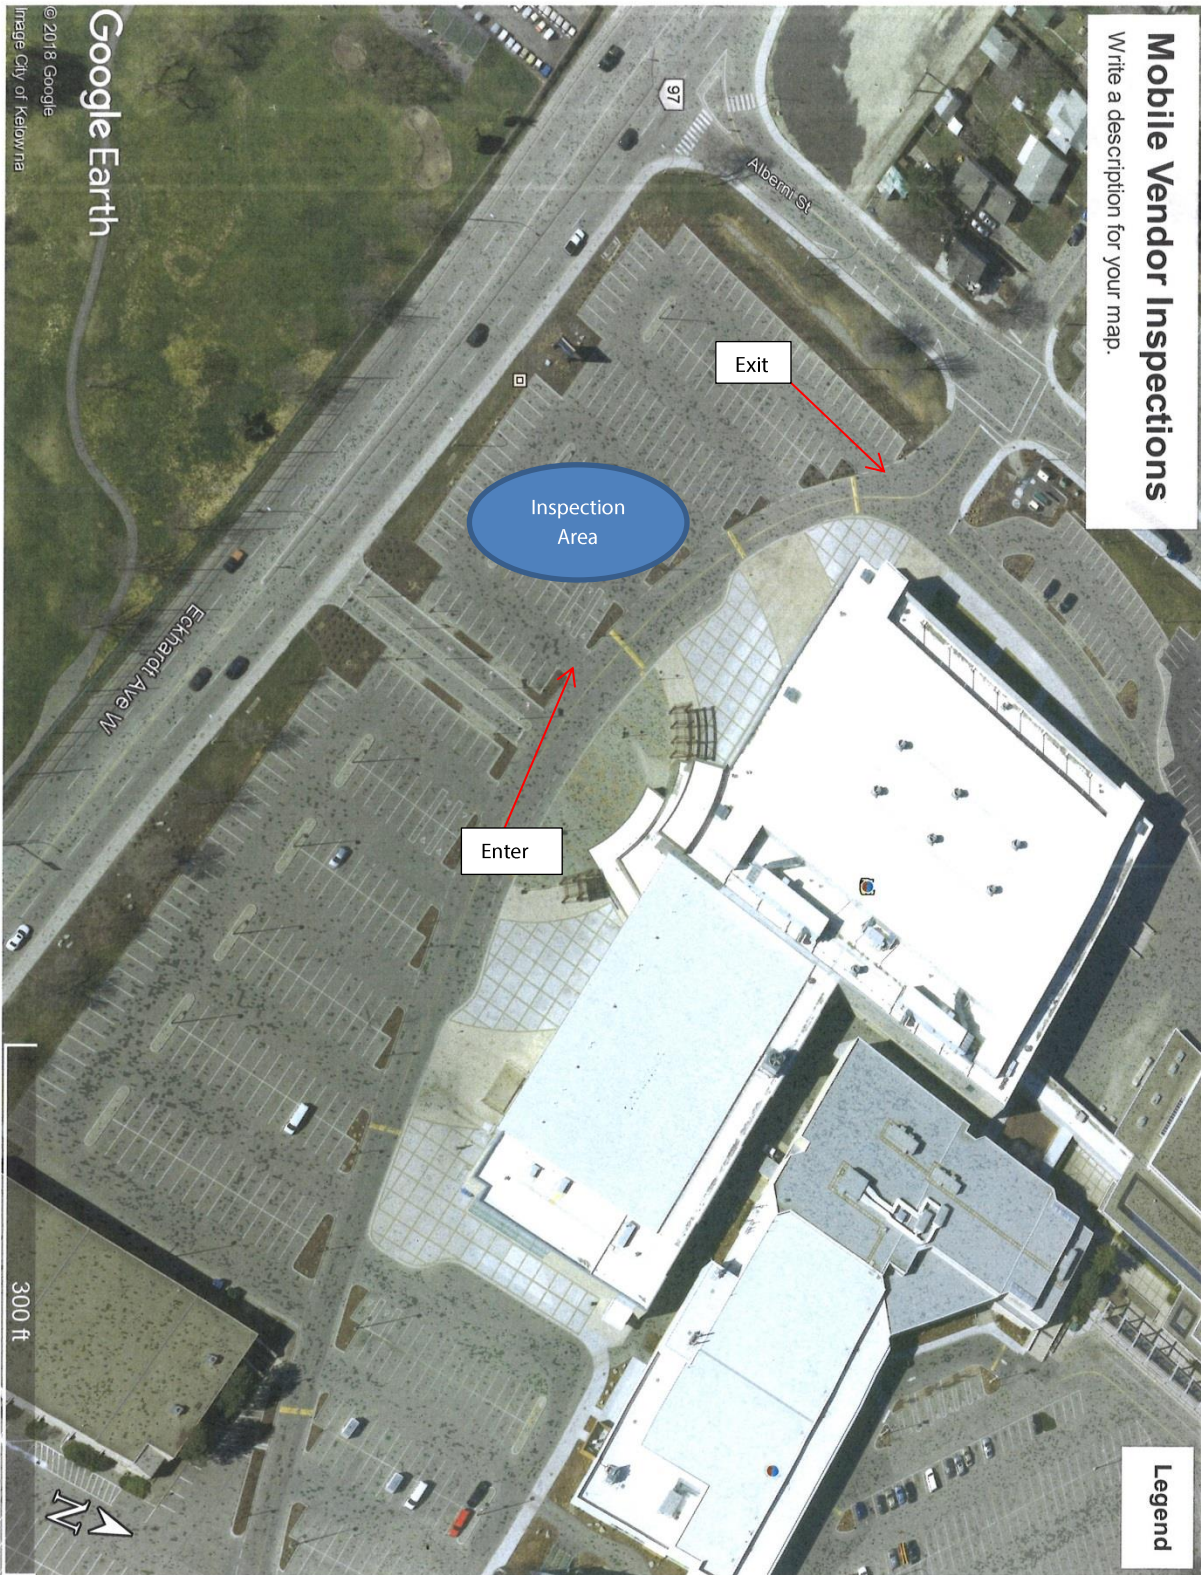

Please schedule your inspection time by calling 250-490-2300 or emailing fire@penticton.ca. The location is SOEC South Parking Lot at 853 Eckhardt Ave W. Please see attached map for directions and ease if you are towing a trailer.

Yours truly,

Fire Inspector
LAFC #2294
