

CHERRY LANE SHOPPING CENTRE Access during construction

As construction of the Lake-to-Lake Bike Route advances, some street entrances to Cherry Lane Shopping Centre will need to close for about four weeks. This will involve intermittent road closures or single-lane alternating traffic along Atkinson Street and Kinney Avenue, with the majority of work completed by Sept. 10, 2022. Watch for on-site signage and flaggers. Visitors are encouraged to use alternate entrances off Main Street or Warren Avenue. Timing is approximate.

Thank you for your patience during construction!

More information about construction of the bike route can be found at penticton.ca/lake-to-lake
