Education program aimed at reducing incidents of speeding and to raise public awareness to the actual speeders

Speed Watch

Citizens on Patrol

Volunteers become the “eyes and ears” for the RCMP doing patrols and reporting activities/situations of criminal or suspicious nature.

CPTED

Purpose is to review & provide an assessment to assist with reducing the opportunity for crimes to be committed at a property site and to ensure safety to anyone on that site

Ambassador Program

This is a seasonal program to enhance downtown safety and promote Penticton to tourists and residents

This program takes gr. 12 students who have demonstrated they can resist peer pressures that lead to alcohol/drug use and violence. They speak with gr. 6-8 students about to enter highschool

Boat Safety

In partnership with Transport Canada by checking pleasure crafts before they head out on the lake to ensure they are compliant with safety measures

Restorative Justice

Diversion from the Court System where the offender takes accountability for actions and repairs the harm done. Victim and Offender work together to heal

Project 529

Online bike registration system that makes it easier for the police to identify and return lost or stolen bikes to their rightful owners

A platform to report anonymously any information about a crime either by phone 1-800-222-8477 or online at www.sostips.ca
