Re: 352 Winnipeg Street

Dear Blake:

Thank you for your letter of May 3, 2021 addressed to the Penticton and District Society for Community Living (the "Society") and Pentictonia Holdings Ltd.

The Society's Board of Directors has had the opportunity to meet to discuss your letter. We are seeking advice on any next steps that we may be required to take in this matter.

I expect to be able to get back to you as soon as practicable on the Society's position in response to your request for documentation from the Society. However, it may not be by the deadline of May 11, 2021.

In the meantime, we intend to continue with the operation of the Victory shelter, unless and until there is reason for us to cease doing so.

Sincerely,

Tony Laing, CEO
Penticton and District Society for Community Living
