Shared Use: From independent fitness and casual swimming, to splash and play and aquatic programming, this time is available for everyone's personal enjoyment and fitness needs.

Limited Use: Busy with scheduled programming - space in the pools will be limited during these swims. Specific areas of the main and leisure pools, such as the 1.4m depth, may not be available, and a minimum of 2 lanes will be available for lap swimming in the main pool.

Public Swim: These high energy swims are ideal for families and kids of all ages. The lazy river, waterslide, spray features and diving boards will also be available during these swims. A minimum of 2 lanes will be available for lap swimming in the main pool.

Family Swim: Ideal for families with young children. The lazy river and spray features will be available during this time.

Water Walking: The lazy river will be set to a low speed to allow for walking against a gentle current.

Closed for Programs: Due to scheduled program use and very limited space, the leisure pool will be closed during this time.
