

Penticton Community Centre CORPORATE / GROUP PASS PROGRAM Information Sheet

Businesses, organizations, and groups may take advantage of this program to receive discounted rates through purchasing several passes at one time.

Eligibility:

- Participation of a minimum of 6 individuals.
- Discounts off monthly individual passes only (1, 3, 6, 12).
- Eligible passes are for Fitness Room, Pool, Fitness Room/Pool Combo, Drop-In Sports, or Aquafit.

Discount Rates:

- 15% for groups of 6-10 people
- 20% for groups of 11-24 people
- 25% for groups of 25+ people

Corporate/Organization Pass Application Process

- One member of the group identified as the “main contact” submits a request to the Recreation Clerk to setup the Corporate/Organization Pass account.
Contact: Carey Swales – carey.swales@penticton.ca or 250.490.2430
- The main contact will be notified once the account is approved and set up.
- Staff and members belonging to qualified and active Corporate/Organization Pass accounts are eligible to purchase passes throughout the year at the discounted rate with organization/business identification (pay stub, business card, membership ID, etc.).
- The Corporate/Organization Pass is ongoing so there is no need to re-apply for the organization. Discount rates are subject to be re-evaluated by the Recreation Clerk and discount rate changes may occur based on the previous year’s enrollment.

Group Pass Application Process

- A member of the group identified as the “main contact” completes the Group Pass Program form.
- The main contact collects fees from the members of the group and provides the completed form along with **full payment** to the Penticton Community Centre for processing. This must be completed in one transaction.
- The number of members purchasing passes at the time of initial sign up dictates the discount rate applicable for the Group Pass for the year. Example: 19 people on the Sign Up Form = 20% discount.
- The discount is applicable for one year. Members signed up are able to re-new their passes within the year at the discounted rate.
- The main contact may add additional group members throughout the year to the Group Pass account and they will be eligible to purchase passes at the discounted rate. The main contact is required to inform the Recreation Clerk to add people on to the account.
- Group members must identify themselves as part of the Group Pass program and the Group they are from when purchasing their membership.
- The Group Pass is effective for one year from time of sign up and may re-apply in subsequent years.
- NOTE: There will be no refunds for passes within the first month.
