

## WHAT GOES WHERE WIDGET

The What Goes Where widget can be used to learn how to dispose of most items, ranging from recyclable materials to hazardous waste. The My Schedule widget sends automated reminders to help ensure you never miss garbage day. Check out the widgets at [www.penticton.ca/recycling](http://www.penticton.ca/recycling) to find out more!

## New Tools for Waste Collection:

Signing up for 'My Schedule' reminders ensures that you will never miss garbage day or special events such as the large & bulky item or unlimited yard waste collection. Signing up for this free service will also include notifications of any collection delays or expected missed collections due to inclement weather. Sign up now for automated reminders at [www.penticton.ca/garbagereminder](http://www.penticton.ca/garbagereminder).

The 'What Goes Where' widget is a tool that can be used to help residents learn about how to properly dispose of an item. The database has information on items ranging from hazardous materials to electronics, recycling and more.

Check out the widget at [www.penticton.ca/recycling](http://www.penticton.ca/recycling) and search an item today!

## Be Cart Smart

Place your carts properly for collection. Carts improperly placed may not be emptied.

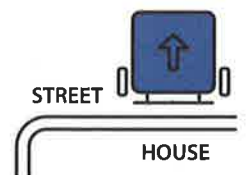

### Park it

On the street, with the wheels against the curb, or on the shoulder (if no curb) by 7 a.m.

### Point it

Point the arrow on the cart lid towards the road.

### Space it

Leave at least an arm's length distance on all sides.

# CART Collection Essentials

| CARTS   | PREPARATION  | ACCEPTED  | NOT ACCEPTED  |
|---|--|---|---|
| <p><b>GARBAGE:</b><br/><b>Black Lid WEEKLY</b> curbside collection of garbage.</p>  | <p>Garbage only. **Unlimited Yard Waste Weeks  
Spring & Fall. See page 3 for details.**

# Collection Solutions

## Moving, Changes or Repairs?

### Carts are City of Penticton Property

If you sell your property and move, or give up tenancy your carts must remain at the property. If you purchase a house and would like to change the cart sizes or quantities that exist, you can request a change by visiting City Yards at 616 Okanagan Avenue East, or City Hall at 171 Main Street.

Please note that changes to the cart sizes or quantities can only be authorized by the registered property owner. All cart changes are subject to an administration fee. Please consult the most recent fees and charges bylaw for pricing.

If your cart is damaged and requires repairs contact the City Public Works Dept. by emailing: [publicworks@penticton.ca](mailto:publicworks@penticton.ca) or calling 250-490-2500.

## Waste Not Collected?

Not having all your items picked up can be frustrating, but there is often an explanation.

Common reasons for items being left behind:

- Items not set out on time (must be at curb by 7 a.m. on scheduled collection day);
- Carts must be spaced a **minimum** of 1 metre/3 feet away from each other, and any obstacles such as vehicles or trees;
- Contamination of recyclables with garbage or yard waste;
- Cart is overfilled or lid is not securely closed;
- Presence of prohibited waste;
- Contamination of yard waste with garbage or recyclables;
- Recycling or yard waste not scheduled for collection that particular week.

Contact Waste Connections of Canada at 250-490-3888 to address missed collections.

## Large Item Collection

Place a maximum of 2 items per household for collection April 19-23 (marked in **brown** on the calendar page 8). Items must be at curb by 7 a.m. on your scheduled garbage day.

- Common items include furniture, large appliances and mattresses.
- **NO** renovation waste, including toilets, plumbing, hot water tanks and doors.
- **Not** accepted are items with a gas motor, automotive parts, or objects made of concrete.
- Max. weight 90 kg / 200 lbs per item.
- Return electronics (TVs, computers, etc) to your nearest Return-it Electronics depot. ([www.return-it.ca/electronics](http://www.return-it.ca/electronics))
- Recycle small appliances (toasters, vacuums, hair dryers, etc). see [www.electrorecycle.ca](http://www.electrorecycle.ca)
- An additional truck will pick up your items, not your usual collection truck.

## Unlimited Yard Waste Weeks

### Spring and Fall

4 times per year, on the dates marked in **orange** on the calendar page 8, residents can place unlimited quantities of yard waste at the curb for collection.

After your city-issued cart is filled, excess yard waste can be placed in kraft paper bags or cans clearly marked "yard waste" and branches can be bundled with string or twine and placed out for collection by 7 a.m. on your regular collection day.

- An additional truck will collect your extra yard waste after your garbage is collected.
- Additional yard waste can be placed in any container clearly marked as 'yard waste only'.
- Paper bags that are ripped or heavily saturated cannot be collected.
- Branches shall have a maximum diameter of 5 centimeters.
- Bundles shall be less than 1.0 meter long and weigh less than 25 kgs.

## Extra Garbage or Yard Waste?

Display a Tag-a-Bag sticker clearly on each extra bag over the cart limit. Place at the curb along with your cart on your regular collection day.

Purchase your tags at City Hall, the Community Centre, or City Yards. For up-to-date pricing, visit [www.penticton.ca](http://www.penticton.ca) or call 250-490-2500.

# Recycling Guide

Recycling is collected *every other week* marked in **blue** on the calendar. No need to sort. Please place materials in loosely, all bags are prohibited.

Recycle BC is a not-for-profit organization responsible for residential packaging and paper recycling throughout British Columbia. Recycle BC ensures packaging and paper is collected from households and recycling depots, sorted and recycled responsibly. The Recycle BC program is funded by over 1,200 businesses, like retailers, manufacturers and restaurants, that supply packaging and printed paper to BC residents, to shift recycling costs away from homeowners. Recycle BC was originally launched in 2014 as Multi-Material BC (MMBC).

## Accepted Items & How to Prepare

### Newspaper & Newspaper inserts

**Newspapers** and newspaper inserts, including advertising flyers.

### Mixed Paper

**Magazines, catalogues & inserts**  
**Office/computer paper & envelopes** (window style accepted)  
**Greeting cards & non-foil wrap** (incl paper flower wrap)  
**Phone books**  
**Paper bags** (grocery, lunch bags, prescription bags)  
**Pet food bags, flour and sugar bags** (no foil or plastic lined bags)  
**Shredded paper:** accepted only if inside a firmly tied, **clear** plastic bag and placed in recycle cart.

### Boxboard & Cardboard

**Boxes** for cereal, tissues, shoes, pizza, laundry detergent, etc.  
**Box trays** for bottled water, soft drinks, cans, etc. (Recycle plastic overwrap at depot)  
**Cardboard rolls** from toilet paper and paper towel  
**Cardboard egg cartons,** take-out beverage trays  
**Paper-based flower pots**  
*Flatten boxboard and place directly into recycle cart.*

### Corrugated Cardboard

**Clean, dry cardboard** (unwaxed)  
**Pizza boxes:** remove food debris and liner  
 Staples and packing tape are accepted  
*Flatten and place in recycle cart.*  
*ONLY cardboard placed inside of recycle cart will be collected.*

### Paper Containers for Liquids

**Paper beverage cups**  
**Gable top cartons** for milk-type beverages, cream, substitute eggs, sugar, molasses  
**Aseptic (Tetra-Pak™-style) boxes** for soup/broth, milk-type beverages, sauces  
**Boxes for frozen food,** including ice cream, desserts, frozen pizza and entrees  
*Empty and rinse all cartons; remove lids and recycle separately in cart.*

### Metal Tins / Cans Aluminum Foil / Cans

**Aluminum or steel cans** for food, pet food, etc.  
**Aluminum foil and foil containers** including foil take-out containers  
**Metal-rimmed spiral cardboard containers** for frozen juice, dough, potato chips, baby formula, etc.  
*Empty and rinse. Drop lid into can and squeeze top slightly. Labels and lids accepted.*  
*Take deposit return items to a bottle depot.*

## Accepted Items & How to Prepare

### Plastic Bottles, Jugs, Jars & Cups

Clean, dry plastic packaging with hard sides including:

- plastic bottles & jars** for food, soap, shampoo, household cleaners, laundry products, vitamins & pills, cosmetics, etc.
- plastic jugs** for cooking oil, milk, detergent, cleaning products, windshield washer, etc.
- plastic cold beverage cups**

*Spray, pump and pull-up tops accepted. Remove lids and/or spray tops and recycle separately in recycle cart.*  
*Empty and rinse thoroughly.*

### Plastic Tubs, Trays & Clamshells

Clean, dry plastic packaging with hard sides including:

- clamshells** for baked goods, fruit, eggs, etc.
- tubs & pails** for margarine, dairy products (yogurt, sour cream, ice cream, etc), detergent, etc.
- trays** for deli chicken, single-serve meals, prepared foods
- microwaveable** bowls/cups
- housewares and hardware packaging,** including for screws, picture hangers, etc.
- plastic garden pots and trays**

*Containers with clear or black bottom with clear domes are accepted.*  
*Empty and rinse containers. Recycle lids separately in recycle cart.*

### Aerosol Cans & Caps

**Aerosol spray cans** for food, air fresheners, shaving cream, hair spray, deodorant, etc.  
**Empty cans only.** Remove caps and recycle separately in recycle cart.

## NOT Accepted

### Plastic bags used to wrap newspapers (depot)

Padded envelopes (depot)  
**Paper towels, tissues or serviettes**  
**Hard cover or paperback books**  
 Foil gift wrap or foil-lined bags (e.g. chips)  
 Musical greeting cards, ribbon or bows  
 Loose shredded paper  
 Photographs or negatives

### Plastic overwrap (depot)

Foil-lined bags (depot) (e.g. chips)  
**Paper towels or tissues**  
 Residue in pizza boxes or flower pots  
 Straws or non-paper insulating cup wraps  
 Plastic-lined pet food bags  
 Paper plates

### Waxed cardboard boxes (e.g. produce shipping boxes)

Plastic overwrap (depot)  
 Stand-up pouches (depot)  
 Straws  
 Juice cartons (take to Return-It Depot for deposit refund)  
 Foil, foil-lined or plastic-lined bags (e.g. pet food)  
*Remember to recycle cup and carton lids in your recycle cart.*

Paint cans (depot)  
**Coat hangers**  
**Pots, pans or baking trays**  
**Scrap metal, hardware or wiring**  
 Foil gift wrap, foil-lined chip bags or foil-backed paper  
 Metal toys  
 Appliances (See bulky item collection or [www.electrorecycle.ca](http://www.electrorecycle.ca))  
 Propane cylinders

**Stand-up pouches (depot)**  
**Straws**  
 Beverage bottles or jugs (take to Return-It Depot for deposit refund)  
 Containers for motor oil, vehicle lubricant or antifreeze products (see [www.rcbc.bc.ca](http://www.rcbc.bc.ca))  
 VHS tapes, CD's, or DVD's

**Foam trays (depot)**  
**Plastic wrap (depot)**  
**Toys or furniture**  
 Packaging labelled 'biodegradable' or 'compostable'  
 'Blister packs' (gum, pills)  
 Tarps, string or rope  
 Plastic paint cans  
 Pails larger than 25L  
 Pails for lubricants or oils  
 Lawn edging or garden hoses  
 Ceramic plant pots

**Spray paint cans (depot)**  
**Propane cylinders**  
 Cans with any contents remaining inside  
 Furniture spray polish  
 Automotive products  
 Check [www.productcare.org](http://www.productcare.org) for safe disposal of many of these items. (1-877-592-2972)

# Recycling Depots

You can recycle **even more than ever!**  
The following items are **not** accepted for curbside collection.

Please take these items to your nearest depot for safe recycling:

**NOT Accepted**

## Other Flexible Plastic Packaging

**Stand-up and zipper lock pouches** for granola, coffee, frozen berries or vegetables, baby food.

**Crinkly wrappers** including bags for chips, dried pasta, candy, and cereal; wet wipe dispensers; snack and chocolate bar wrappers.

**Flexible packaging** for fresh pasta, pre-packaged deli meats, pre-packaged cheese.

**Woven and net plastic bags** for produce, fruit.

**Non-food protective packaging** such as plastic shipping envelopes, plastic air packets, bubble wrap.

- Biodegradable or Oxo plastics
- Plastic squeeze tubes
- Plastic lined paper
- Plastic strapping
- 6-pack rings
- PVC/Vinyl
- Squishy foam packaging

## Glass

**Non-deposit glass bottles and jars**

Clear or coloured.

Empty and rinse containers.

Recycle metal or plastic lids in your recycle cart.

- Beverage containers (take to a *Return-It Depot* for deposit refund)
- Glasses, dishes, cookware or ceramic
- Window glass or mirror

## Plastic Bags & Overwrap

**Plastic bags** for groceries, dry cleaning, bread, newspapers/ flyers, produce & salad, frozen vegetables and outer milk bags.

**Plastic overwrap** from water and pop flats; bulk paper towel or toilet paper packages, and hygiene product packaging.

**Bags & overwrap** from garden products, water softener & road salt; mattresses, furniture and electronics.

- Plastic squeeze tubes
- Plastic-lined paper
- Paper-lined plastic
- Plastic strapping
- 6-pack rings
- Biodegradable or Oxo plastic
- PVC/Vinyl
- Squishy foam packaging

**Foam containers and trays**, e.g. meat, egg cartons, take-out clamshells, cups and bowls.

**Moulded foam cushion packaging** for protecting electronics, small appliances, etc.

Empty and rinse food containers. Remove liners and plastic wrap from meat /food trays.

**White and coloured foam products must be separated at the depot.**

- Foam peanuts, packing chips or noodles
- Blue or pink foam board insulation
- Liquid absorbing pads or liners
- Shrink wrap for meat or other food

# Recycling Right – What's the Big Deal?

Recycling is something everyone can take pride in, as it reduces our impact on the environment by saving resources and generating new products with old materials. For example, the can of tomatoes you rinsed and placed in your recycling cart will eventually be recycled into a new can, maybe for green beans.

The sorting facilities that separate the plastics, metals, and paper from one another are modern and efficient, but they have one catch – thin soft plastics such as shopping bags or overwrap plug up the machinery. Placing bags, wrap or pouches into your recycle cart will ultimately jam up the conveyor belts and rollers of the sorting machines. By taking bags and thin, soft plastics to the bottle depot you are ensuring they are recycled properly and are not ending up in the moving parts of the machinery.

Please review the recycle guide for more information about what can go into your home recycle cart.

Always check the websites below, or the RCBC Recyclepedia, for an up-to-date list of depots and accepted items.  
[www.rcbc.bc.ca](http://www.rcbc.bc.ca), 1-800-667-4321

## Campbell Mountain Landfill

901 Spiller Road • 250-490-4129

Hours: March 1 – November 30

Monday to Sunday\*: 8:30 am – 4:45 pm

\*December, January & February: Closed Sundays

Closed all Statutory Holidays and Boxing Day

Also accepts:

- Household Hazardous Waste - Productcare.org
- Light fixtures & bulbs - Productcare.org
- Small appliances & power tools - ElectroRecycle.ca
- Used motor oil, filters & containers - Usedoilrecycling.ca

## J & C Bottle Depot

200 Rosetown Ave. • 250-492-5144

Hours: April 1 – September 30

Monday to Saturday: 8:30 am – 5:00 pm

Hours: October 1 – March 31

Monday to Saturday: 9:00 am – 4:30 pm

Closed Sundays and Holidays

Also accepts:

- Beverage Containers - Return-It.ca
- Electronics - Return-It.ca
- Household Hazardous Waste - Productcare.org
- Light fixtures & bulbs - Productcare.org
