## TREASURER'S REPORT

May 2009

Mayor and Council  
The Corporation of the City of Penticton

Your Worship and Members of Council:

In accordance with Section 167(1) of the *Community Charter*, I am pleased to submit the 2008 Annual Financial Report of the City of Penticton for the fiscal year ended December 31, 2008. The report includes the Auditors' Report, the 2008 audited financial statements, and supplementary information for the City of Penticton.

The financial statements were prepared by City staff in accordance with generally accepted accounting principles for local governments, as recommended by the Public Sector Accounting Board (PSAB) of the Canadian Institute of Chartered Accountants. These statements were audited by BDO Dunwoody and their responsibility was to express an opinion based on the results of their audit. The audit was planned and performed to obtain reasonable assurance as to whether the financial statements were free of material error or misstatement.

The operations of the City of Penticton are segregated into various funds for accounting and financial reporting purposes. The funds are as follows:

<i>General Fund</i>	<i>Sanitary Sewer Utility Fund</i>
<i>Water Utility Fund</i>	<i>Electric Utility Fund</i>
<i>Reserve Funds</i>	

The Annual Report includes the financial statements for each entity as well as consolidation statements for all entities. The highlights from these reports are summarized below:

### CAPITAL EXPENDITURES

<i>Electric Fund</i>	Operating	<b><u>\$21,080,896</u></b>	<b><u>\$20,016,653</u></b>
<b>TOTAL NET OPERATING EXPENDITURES</b>		<b><u>\$69,007,528</u></b>	<b><u>\$61,752,845</u></b>

**Financial Statistics**

	<u>2008</u>	<u>2007</u>
<i>Real Property Taxes</i>	\$22,768,284	\$21,159,831
<i>Collection of Taxes for Other Governments</i>	19,452,757	18,898,587
<i>Long Term Debt Outstanding</i>	72,610,571	36,387,473
<i>Per Capita Debt – General Purposes</i>	1,642	871
<i>Per Capita Debt – Utilities</i>	633	269

**Investment Earnings**

Investment of all excess Revenue and Reserve Funds generated \$2,046,615 in 2008 compared to \$2,634,782 in 2007. Our portfolio is comprised equally of money market and term deposits maturing within a year and long-term bonds.

**General Fund**

The general revenue fund generated a deficit of \$728,906. The 2008 budgeted transfer from surplus was \$223,748. The deficit can be attributed to specific events. The snow and ice control budget along with the UBCM convention were main contributors to the unforeseen increase in the deficit.

**Utilities**

In the Sewer Utility, the 2008 transfer from surplus was budgeted at \$315,341. The actual transfer to surplus for 2008 was \$314,546. This was mainly due to the delayed start of the sewer capital works projects.

The Water Utility budgeted transfer to surplus was \$491,769. The actual surplus was \$1,139,605. This was due to delayed construction of the Water Treatment Plant Capital upgrades.

The Electric Utility appropriation from surplus was budgeted at \$3,444,451. The actual appropriation was \$117,442. This was due to the Carmi substation being deferred.

**Library**

The Statement of Revenue and Expenditure for the Penticton Public Library is presented in this report. Library revenue reflects a City grant of \$910,576 which includes an allowance of \$181,129 for building and administration costs, and \$18,126 for equipment depreciation.

Respectfully submitted,

Doug Leahy  
Treasurer

## AUDITORS' REPORT

---

**To the Mayor and Council  
Corporation of the City of Penticton**

We have audited the consolidated statement of financial position of the Corporation of the City of Penticton as at December 31, 2008 and the consolidated statements of financial activities and cash flows for the year then ended. These financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the consolidated financial position of the City as at December 31, 2008 and the results of its consolidated operations for the year then ended in accordance with the Canadian accounting principles generally accepted for Municipalities.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2008**

**1. General**

The notes to the Consolidated Financial Statements are an integral part of the statements. They explain the significant accounting and reporting policies and principles underlying these statements. They also provide relevant supplementary information and explanations which cannot be conveniently expressed in the Consolidated Financial Statements.

**2. Nature of Business**

The City is a non-profit organization incorporated under the laws of British Columbia. The City provides the services of collecting property taxes and receiving grant funding in order to fulfill their mandate to provide the following services:

- Protective Services
- Transportation Services
- Environmental Health Services
- Public Health and Welfare Services
- Environmental Development Services
- Recreational and Cultural Services
- General Government Services

The City is a municipality and, as such, is exempt from income tax under section 149(1)(c).

**3. Accounting Principles**

- (a) The Consolidated Financial Statements have been prepared in conformity with accounting standards established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants;
- (b) In accordance with accounting and reporting requirements of the Ministry of Community Services, depreciation is not recorded;
- (c) The Consolidated Statements include all General, Capital and Utility Funds of the Municipality;
- (d) All fund bank accounts are consolidated in the General Revenue Fund;
- (e) Comparative figures have changed to reflect the current year financial statement presentation.

**Capital Assets** - Capital assets consist of Land, Buildings, Engineering Structures, Machinery, and Equipment. Capital Assets are measured at cost. No amortization is recorded.

The Public Sector Accounting Board of the Canadian Institute of Chartered Accountants has recently revised the standards for accounting and reporting of Tangible Capital Assets. As of January 1, 2009 it will be mandatory for the City to comply with these new standards and report all Tangible Capital Assets at historical cost with related accumulated amortization as outlined in Section 3150 of the Public Sector Accounting Handbook.

The City of Penticton has begun this process in 2008 and is currently in the data collection and policy drafting phase of the project. The City expects to be fully compliant for the year ended December 31, 2009.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2008**

**Municipal Finance Authority - Cash Deposits and Demand Notes** - The Municipality issues the majority of its debt instruments through the Municipal Finance Authority. As a condition of these borrowings, a portion of the debenture proceeds is withheld by the Municipal Finance Authority as a debt reserve fund. The Municipality also executes demand notes in connection with each debenture whereby the Municipality may be required to loan certain amounts to the Municipal Finance Authority. These demand notes are contingent in nature.

**Long Term Debt** - Principal payments due for the next five years (in thousands of dollars) are forecasted as follows:

	2009	2010	2011	2012	2013
General Fund	\$4,407	\$4,407	\$4,407	\$4,407	\$4,407
Sewer Fund	334	571	571	571	571
Water Fund	448	671	791	911	986
	\$5,189	\$5,649	\$5,769	\$5,889	\$5,964

**Reserve for Future Expenditure** - Reserves for future expenditure are non-statutory reserves which represent an appropriation of surplus for specific purposes. Transfers to reserves for future expenditure include funds to finance incomplete projects and accumulations for specific purposes.

**Interfund Balances and Transactions** - All material interfund transactions and balances have been eliminated within the Consolidated Financial Statements.

**Statutory Reserve Funds** - The use of these funds is restricted by the *Community Charter* and associated Municipal Bylaws. Statutory reserve funds are funded 100% by cash and temporary investments.

**Financial Instruments** - The City's financial instruments consist of cash and term deposits, accounts receivable, accrued interest receivable, Municipal Finance Authority, trade accounts payable and accrued liabilities, deposits and long term debt. Unless otherwise noted, it is management's opinion that the City is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair values of these financial instruments approximate their carrying value, unless otherwise noted.

**Budget Figures** - The budget figures are from the Annual Five-Year Financial Plan Bylaw adopted before May 15 of each year. Subsequent amendments have been made by the Council to reflect changes in the budget as required by law.

**Use of Estimates** - The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

**Segmented Information** - The City of Penticton is a diversified municipal government institution that provides a wide range of services to its citizens, including police, fire, ambulance, public transit, and water. For management reporting purposes the Municipality's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives with special regulations, restrictions or limitations.

City services are provided by departments and their activities are reported in these funds. Certain departments that have been separately disclosed in the segmented information, along with the services they provide, are detailed in the Consolidated Schedule of Segment Disclosure.

	<u>\$ 361,447,612</u>	<u>\$ 299,205,016</u>

**7. Contingent Liabilities**

(a) Regional District of Okanagan Similkameen

Under Section 836 of the *Local Government Act*, all monies borrowed by a Regional District, shall be upon its credit at large and shall, in the event of any default, constitute an indebtedness of the member municipalities for which they are jointly and severally liable. At December 31, 2008, the long term debt of the Regional District aggregated \$110,658,435 (2007 - \$74,535,889).

(b) Legal Actions

As at December 31, 2008, certain legal actions are pending against the Municipality, the outcome of which cannot be determined at this time. As it is not possible to determine the outcome of these proceedings, no provision for any potential liability has been recorded in the accounts.

**8. Pension Liability**

The Municipality and its employees contribute to the Municipal Pension Plan (the plan) a jointly trustee pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The pension plan is a multi-employer contributory pension plan. Basic pension benefits provided are defined. The plan has about 150,000 active members and approximately 54,000 retired members. Active members include approximately 32,000 contributors from local governments.

Every three years an actuarial valuation is performed to assess the financial position of the Plan and the adequacy of Plan funding. The most recent valuation as at December 31, 2006 indicated a surplus of \$438 million for basic pension benefits. The next valuation will be as at December 31, 2009 with results available in 2010.

The actuary does not attribute portions of the surplus to individual employers. The City of Penticton paid \$1,322,962 for employer contributions to the plan in 2008.

**9. Letters of Credit**

In addition to the performance deposits reflected in the Statement of Financial Position, the City is holding irrevocable Letters of Credit in the amount of \$5,496,856 which were received from depositors to ensure their performance of works to be undertaken within the city. These amounts are not reflected in the financial statements but are available to satisfy liabilities arising from non-performance by the depositors.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2008**

**10. Gas Tax Agreement**

Gas Tax Agreement funding is provided by the Government of Canada. The use of the funding is established by a funding agreement between the local government and the Union of British Columbia Municipalities. Gas Tax Agreement Funding may be used towards designated public transit, community energy, water, wastewater, solid waste and capacity building projects, as specified in the funding agreements.

	<u>\$ 1,461,504</u>	<u>\$ 965,856</u>

**11. Prior Period Adjustment**

During the year, the City had determined that the interfund account transfer from the General Revenue Fund to the General Capital Fund had been understated by \$72,677 in 2006 and overstated by \$152,292 in 2007.

Accordingly, the interfund balances and the opening 2007 Fund balances have been adjusted by \$72,677 and the closing 2007 Fund balance has been adjusted by \$152,292.

## **AUDITORS' REPORT ON SUPPLEMENTARY FINANCIAL INFORMATION**

---

**To the Mayor and Council  
Corporation of the City of Penticton**

We have audited and reported separately herein on the consolidated financial statements of the Corporation of the City of Penticton as at and for the year ended December 31, 2008.

Our audit was conducted for the purposes of expressing an opinion on the consolidated financial statements of the City taken as a whole. The supplementary information on the financial position and financial activities of operations of the individual funds included in the following supporting schedules are presented for the purposes of additional analysis. Such supplementary information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the consolidated financial statements taken as a whole.
