There was time in the beginning where alcohol was the only issue affecting people. Now poly-drug use has become the norm and the staff at Pathways deal with complex issues that come from this. As we enter our 46th anniversary year our longevity speaks volumes as does our expertise in the area of substance use and addictions. We would like to provide an overview to Mayor and Council of the services we offer to 800+ clients a year from youth to adults in our community.

Please note:

- This form and submissions will become part of the public record.
- The Mayor has the authority to determine if the subject matter warrants the delegation to appear before Council and may determine at which meeting.
