Complimentary Parking in Downtown Penticton

(Penticton, BC – October 30, 2018) – The City of Penticton and the Downtown Penticton Association (DPA) want to help you with your Christmas shopping by offering free on-street parking in the downtown area on the five Saturdays of December, specifically December 1, 8, 15, 22, 29, 2018.

For the past several years, the City has approved no charge on-street Saturday parking during the month of December in the downtown area.

"We're happy to be working with the DPA again to assist in the support of the downtown business community over the Christmas holidays," says Bylaw Services Supervisor, Tina Siebert. "With the number of activities taking place downtown over the Christmas season, the addition of free on-street parking will help to encourage shoppers to visit downtown."

The opportunity for no charge on-street Saturday parking only applies to on-street metered parking stalls in the downtown. City parking lots and private parking lot rules remain in effect. The on-street pay parking system will resume on Tuesday, January 1, 2019.
