

City Hall to close; alternative contact and service solutions available

(Penticton, BC – March 20, 2020) – Effective Friday, March 20 at 4:30pm, the City of Penticton will close its City Hall and Public Works Building to the public as an additional means to support social distancing and staff safety in the fight to reduce the spread of COVID-19.

“Our top priority remains the long-term health of our community and our staff,” says Penticton Mayor, John Vassilaki. “With several different options available for accessing the services provided at City Hall, it makes sense to further reduce the risk of exposure and close these facilities to the public.”

Services provided at City Hall will continue to be supported throughout the COVID-19 public health emergency. Options for taking care of the most common requests can be obtained by visiting the City’s website – www.penticton.ca or contacting the City’s call centre at 250-490-2345. In addition, residents wishing to make payments can visit the kiosks at the South Okanagan Events Centre; non cash payments are preferred.
