Residents encouraged to subscribe for online updates

(Penticton, BC – March 31) – With its brand new website in place, the City of Penticton is encouraging residents to subscribe for online updates providing information on recently issued announcements and emergency alerts.

“If there was ever a time to subscribe for online updates issued by our City’s communication team, it’s now,” said Penticton Mayor, John Vassilaki. “Whether its information relating to COVID-19 or general alerts on City services or decisions, to stay informed, residents can visit the city website, select ‘subscribe for updates’ and enter their email address”.
