

Mark your calendars for Council-hosted Open House

(Penticton, BC – April 24, 2025) – Save the date! Tuesday, May 6 is your opportunity to attend the Council-hosted Open House at the Penticton Trade and Convention Centre between 4 p.m. and 7 p.m.

"This is a casual, family-friendly opportunity for residents to meet their members of Council, including newly elected Councillor Jason Reynen. Information about emergency preparedness, revitalization projects, housing updates and more will be presented," said Mayor Julius Bloomfield. "We want to hear all voices from our community, so we're offering kids activities to help parents participate too."

Learn how to build your own grab-and-go kit and receive your own emergency planning booklet. Attendees will also have the opportunity to participate in a community brainstorm for what attractions or amenities they would like to see in Nanaimo Square and discuss potential future land uses for the Esplanade Park area.

Come out and see how Council is moving forward with its priorities to create a community that is Safe & Resilient and Livable & Accessible, while delivering initiatives that support the health and vibrancy of our community.
