Celebrating the volunteers who make Penticton thrive

(Penticton, BC – April 23, 2026) – Volunteers are the heart of Penticton, and every hour truly matters. Join the City of Penticton and South Okanagan Similkameen Community Connections Volunteer Centre as we say thank you to the people who make our community vibrant.

From supporting social services and emergency response to festivals, sports, and youth programs—volunteers make it all possible.

All volunteers are invited to a Volunteer Appreciation Breakfast on Saturday, April 25, from 8 to 10 a.m. at Rotary Park, beside the Penticton Lakeside Resort. Enjoy pancakes, sausage, and coffee, tea, or juice—on us.

Thank you for building a stronger Penticton. We couldn't do it without you.
