

What’s your vision for Penticton?

Dates set for first round of engagement in Official Community Plan

May 3, 2017

Penticton – In 2045, Penticton will be _____. That’s the statement residents will be asked to complete as part of the first formal phase of engagement activities to support the Official Community Plan. The first five community event dates have been set where residents can drop by and share their ideas for Penticton’s future.

May 6	Penticton Farmers’ Market	9 am – 1 pm
May 10	Community Centre	3 pm – 6 pm
May 13	Penticton Farmers’ Market	9 am – 1 pm
May 18	Cannery Brewing	4:30 pm – 7 pm
May 28	Seniors’ Drop In Centre	1 pm – 3 pm

“It is very important for residents to get involved early in this work,” says Ben Johnson, Special Projects Manager. “The guidance from the community will set the scene for the development of the OCP vision and land use policies and the direction for future development and growth of our community.”

The upcoming visioning sessions continue the conversation started with the Valentine’s Day Kick Off and provide a fantastic opportunity for the community to get together and provide direction for the development of the next Official Community Plan.

Official Community Plan Task Force members will be on hand at the events to hear community feedback. Staff will also be reaching out to various community groups over the next several weeks to gather their input into the vision. For more information about upcoming engagement activities or to complete the vision statement online, visit shapeyourcitypenticton.ca.
