

REQUEST FOR PROPOSALS 2026-RFP-30 ELECTRIC UTILITY SCADA DIGITAL MIMIC SOFTWARE

Date Issued: October-2-26

Invitation:

Through this Request for Proposals, the City of Penticton invites Proposals for the supply of new digital technology and implementation and support services for the institution of a SCADA integrated Digital Mimic software solution. The City's Energy and Environment Department is requiring an update to its existing paper-based Electrical Mimic board, with the goal of acquiring the ability to manipulate and track the status of the electrical distribution system, safely take out Guarantees of Non-Reclose (GNR) and Guarantees of Isolation (GOI), and carry out switching procedures.

Anticipated Go-Live of the new system is by December 31st, 2027. Timing of the system implementation will be subject to the date of contract execution.

Bid Submission:

The Proposal together with all other attachments as identified in the RFP "*Submission of Proposals*", to be uploaded to the City's procurement portal at <https://penticton.bonfirehub.ca/portal>. The City of Penticton reserves the right to accept or reject all or part of any submission/proposal, and to accept the submission/Proposal in total or in part, or to accept the submission/Proposal which it deems most favourable in the interest of the City of Penticton.

2026-RFP-30 Timetable:

Closing Date and Time: October-30-26@ 2:00 pm.

The RFP timetable is tentative only and may be changed by the City at any time. Bids received after the Submission Deadline will be rejected.

Questions:

Questions should be submitted through the Bonfire portal at <https://penticton.bonfirehub.ca/portal>

Addenda:

It is the respondent's responsibility to check the portal for addenda(s).

Only the successful bidder shall be notified, but inquiries are welcome. Results of award may be found at <https://www.penticton.ca/business-building/bid-opportunities/open-bid-opportunities>
